

# Solicitations Look Ahead

February 19, 2016

***Note:** This list is developed from preliminary information provided to the Consultant Selection Office. It is updated monthly based on current information and funding availability. Individual assignment information is subject to change prior to issuing a solicitation. In most cases, the solicitation will be issued within 3 months of appearing on this list.*

***All inquiries regarding the information contained herein must go through the Consultant Selection Office. Contact with Department employees concerning any upcoming (or active) solicitations is NOT allowed.***

<u>CSO #</u>	<u>Assignment Description</u>	<u># of firms required</u>
2265	<p><b>Task Based Bridge Rehabilitation/Replacement Program</b></p> <p>The Department is seeking to engage prequalified professional consulting engineering firms to prepare contract plans and documents for the rehabilitation or replacement of structures statewide, which are found to be deficient by the Department’s Bridge Safety and Evaluation unit.</p> <p>A Department Consultant Liaison Engineering (CLE) firm will develop the rehabilitation study report. When assigned a task, the selected consultant will attend a review meeting with Department staff, and then follow the approved scope of work to prepare design plans, estimates, specifications, and any necessary related data and studies which are required to deliver a complete set of contract documents. The CLE firm or the Department will be providing survey, hydraulic engineering services, utility and Rights of Way (ROW) coordination, however, the selected firms will be required to identify impact areas for environmental permits, property maps, and provide supporting information.</p>	TBD
2266	<p><b>Construction Engineering and Inspection Services</b></p> <p>The Department is seeking to engage one (1) consultant engineering firm to provide construction inspection services for the following project:</p> <p><b>Project No. 0050-0219</b> – This Project consists of the Pavement Preservation of I-95 in Fairfield and Bridgeport. This project is scheduled to be advertised on March 23, 2016, with a scope code of “K”.</p>	1
2267	<p><b>Construction Engineering and Inspection Services</b></p> <p>The Department is seeking to engage one (1) consultant engineering firm to provide construction inspection services for the following project:</p> <p><b>Project No. 0126-170</b> – This Project consists of the Rehabilitation (Painting and Steel repairs) of Bridge #00571A, Commodore Hull, Route 8 over the Housatonic River, Route 110 and local roads. This project is scheduled to be advertised on June 15, 2016, with a scope code of “M”.</p>	1
