ENGINEERING & CONSTRUCTION BULLETIN

Chief Engineer

Bituminous Concrete Specifications, Sections 4.06 and M.04

Effective immediately, Standard Specification (Form 817) Sections 4.06 and M.04 (Bituminous Concrete and Bituminous Concrete Materials) are superseded by Owned Special Provisions with the same section identifiers. Current versions of the Section 4.06 and M.04 Owned Special Provisions should be accessed through the Department's [Owned Special Provision web page](#).
