## American Recovery and Reinvestment Act 2009

### Project Description:

Statewide Park and Ride Lot Improvements  
\$2.0 million

### Why it matters

The state Park and Ride lot network consists of nearly 100 commuter Park and Ride lots in locations throughout the state. Thirteen of these state or municipally owned lots are in need of repair. These thirteen lots are used by over 1200 residents daily to park their cars and commute to work using public transportation.

### Solid Investment

- Parking lots in Middletown, Columbia, Manchester, Vernon, Waterbury, Meriden, Southington, Farmington, Canton, West Haven and Windsor Locks will be resurfaced and re-stripped.
- In Marlborough, street-side bus pullovers lanes, crosswalks and sidewalks will be added to the existing Park and Ride lot.

### Notable Project Facts

- This project will enhance the overall safety of the existing Park and Ride Lots.
- This project will further the state's initiative to promote the use of mass transit and car-pooling.
