Re: Notice of Scoping for the Relocation of I-91 Northbound (NB) Interchange 29 and widening of I-91 NB and Route 15 NB to I-84 Eastbound

Dear Mr. Alexander:

The Drinking Water Section of the Department of Public Health has reviewed the above-mentioned project for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Sincerely,

A handwritten signature in blue ink that reads "Patricia Bisacky".
