

## **DIVISIBLE LOAD PERMITS**

Divisible load permits are issued annually or by the month. Permits issued annually become effective May 1<sup>st</sup> and expire on April 30th. Divisible load permits issued annually are renewed during the month of April.

The annual permit fee is nine dollars (\$9.00) per thousand (1,000) pounds or fraction thereof, of the gross weight to be shown on the permit. The fee for permits purchased by the month is \$100.00 for each calendar month or fraction thereof. Permits are vehicle specific and the fee is not pro-rated, transferable and/or refundable.
