

Connecticut Department of Transportation

**State Project No. 88-187
Rehabilitation of Bridge Nos. 03912 and 03913
City of New Britain**

**Tuesday, December 1, 2015, at 7:00 p.m.
Room 504 of City Hall, 27 West Main Street, New Britain, Connecticut**

Minutes of Public Informational Meeting

Present:

Department of Transportation (Department): Rabih Barakat, Lou Bacho, Dean Cerasoli
Mohammed Bishtawi, Michelle Miller
HW Lochner: Brian Byrne
Close Jensen and Miller P.C. (CJM): Edward Sakl III
City of New Britain: Rob Trottier

Presentation: The visual Powerpoint presentation was prepared along with plans to be placed for public inspection. An abbreviated presentation was given since no one from the public attended the meeting. All present waited until 8:00 PM at which time all visual aids were removed and they departed the premises.

Public Comments and Questions: Although no one from the public attended, the City of New Britain Engineer along with personnel from the City of New Britain Department for Municipal Development and the City of New Britain Police Department were present at a town meeting held on October 22, 2015.

At that meeting, Department personnel and CJM Liaison personnel discussed the project at length and answered various questions regarding schedule and duration of construction, adjacent construction projects that are scheduled for the same time frame, impacts to the City's impoundment area and adjacent properties and the maintenance and protection of traffic during construction. All in attendance were in accord with the project and no adverse comments were received.

Adjournment: The meeting was adjourned at 8:00 PM.
