

Reporting Actions Taken Against Physicians

Reporting Actions Taken Against Physicians

20-13d-1. Reporting disciplinary actions taken against physicians

- (a) The Department of Public Health shall post a summary of disciplinary actions taken by the Connecticut Medical Examining Board on the Board's web page within five business days of the Board's monthly meeting.
- (b) The summary posted to the Board's web page in accordance with subsection (a) of this section shall note specifically any disciplinary actions that are stayed pursuant to section 4-183(f) of the Connecticut General Statutes while an appeal is pending. (Effective September 28, 1985; amended, effective September 1, 2006.)
