DWS Project No.: 2009-0233
DWSRF No.: 2009 1090031a
Project: Interconnection to Harrington Mobile Home Park

Subject: Drinking Water State Revolving Fund (DWSRF)/American Recovery & Reinvestment Act of 2009 (ARRA) Pre-Bid Construction Contract Approval

Dear Mr. O'Neill:

The pre-bid construction contract documents submitted by CTWC – Gallup Water Service, Inc. for the above project were received on July 27, 2009, with revisions received on September 10 and 24, 2009, by the Department of Public Health (DPH). The pre-bid construction contract documents for the contracts above have been determined to contain the necessary advertisement, non-technical and technical provisions to meet Drinking Water State Revolving Fund (DWSRF) requirements contained in Section 22a-482 of the Regulations of Connecticut State Agencies (RCSA).

The *Approval for Construction or Installation of Water and Treatment Works* report for the work is attached.

In order for this project to remain eligible for ARRA funding, CTWC – Gallup Water Service, Inc. must publish the bid advertisement for this contract by October 1, 2009.

In order for this project to remain eligible for funding from the DWSRF, the DPH must review post-bid documents and issue a letter of Authorization of Award prior to the CTWC – Gallup Water Service, Inc. awarding any contract. Please complete and submit the attached Authorization to Award Construction Contract Application Checklist to our office, along with the documents listed therein and a paper copy of the final version of the bid specifications.

Nothing contained in this letter shall constitute a commitment by the state to make a project loan to you under the American Recovery and Reinvestment Act of 2009 (ARRA) or the DWSRF program. It is acknowledged that the project appears to meet the Buy American and Davis-Bacon provisions of the ARRA, thus retaining eligibility for those funds.

If you have any questions or wish to discuss the project, please contact Ted Dunn or Linda S. Li at your convenience.

Sincerely,

Michael Hage
Section Supervisor
Drinking Water Section
