## A Call to Action-Next Steps

Connecticut Department of Public Health  
*Healthy Homes Partnership Meeting*

When: 8:30AM-Noon  
Wednesday, Dec. 15, 2010

Where: Legislative Office Building  
300 Capitol Avenue  
Hartford, CT

You are once again cordially invited to participate as a key stakeholder in the statewide expansion of the Connecticut Department of Public Health *Healthy Homes Initiative*. At our second partnership meeting we plan on reviewing the summaries from the partnership group exercise from the October 28th meeting and identify "Next Steps" as we develop an interagency action plan. We will form sub-committees to work on implementation of those tasks outlined in the summary. Your continued input and participation is vital to the success of CT's Healthy Homes Initiative. Agenda to follow.

We look forward to seeing you on December 15th.
