Re: Docket No.: 14-12-21  
Joint Investigation DPH and PURA of REJA's (Rainbow Springs)  
Request to Cease Operations As a Water Company

We, the undersigned, being all the customers of Rainbow Springs water company, hereby ask to be made parties to the above captioned matter.

Additionally, if there is a determination made that would allow the current owner of Rainbow Springs to cease operating the water company that serves us, we ask that we be given a reasonable period of time to install individual wells and disconnect from the current community well. Therefore we are OPPOSED to any new water company being ordered to substitute for Rainbow Springs and instead we want to arrange for individual wells to service our individual homes.

The undersigned hereby join in a request to be made parties to the captioned case, and to the requests made.
