Notes:

The Funding Terms for all loans are up to 20 years for the loan repayment period

- (1) Projects eligible to receive subsidization and subsidization levels are more fully described in Section III.C. of the Intended Use Plan. Actual subsidization amounts may be different.
- (2) The amounts listed for these Small Systems are estimated at the maximum **available** subsidy. In order to qualify, systems must meet the conditions set forth in Section III.C.5. of the Intended Use Plan.
- (3) Population information not provided.
- (4) Project #17 will only receive \$4,420,342 in SFY2015 due to limited available funding. The remaining \$1,079,658 is included below the 2015 funding line. If additional funds become available, the remainder of the project costs may be funded.
- (5) This PWS serves a population less than or equal to 10,000 and is considered "small" for the purposes of DWSRF and are shaded in blue. Please refer to Section VI.A. of the Intended Use Plan for more information.
- (6) Projects appearing on the SFY2015 list that also appear on the SFY2014 list may only receive funding during one SFY; sufficient funding is not expected to be available during SFY2014, but may be available during SFY2015.
- (7) There is insufficient information at this time to determine the readiness of these projects to proceed, therefore they have been ranked at the bottom of the list.
