

STATE OF CONNECTICUT

The Department of Public Health
Drinking Water Section

And

The Connecticut Section American Water Works Association
Present

The 2015 Drinking Water Week Poster Contest

In celebration of the 40th Anniversary of the Safe Drinking Water Act and National Drinking Water Week; May 3-9, 2015, the CTDPH Drinking Water Section is asking 5th grade students in your Health District to create a poster and promote how,

“Healthy Kids Drink Tap Water”

- ◆ Posters will be judged based on message of the theme, originality, creativity, and overall presentation
- ◆ Top Five Finalists will be chosen by your district’s Director of Health, to then be voted on at the Annual Technical Conference and Vendor Expo in the spring of 2015
- ◆ A top prize will be awarded for the First place winner
- ◆ The Connecticut Department of Public Health Drinking Water Section must receive all entries no later than November 30, 2015.

See reverse side for official rules

Healthy Kids Drink Tap Water

2015 Drinking Water Week

Poster Contest Rules

- ◆ Each poster must be created on paper of any type (poster board, construction paper, etc.) and must be no larger than 22" x 28" (standard poster board size). Only the original poster can be submitted into the contest, no photocopies. One poster per student.
- ◆ Each poster should depict the student's own idea(s), reflecting the theme. Students must use only crayons, colored or other pencils, markers and/or paint (no computer generated photos, photographs, collages).
- ◆ Finalist posters, selected by the Director of Health; will be judged by participants of AT-CAVE 2015, who will select the poster that best promotes this year's theme.
- ◆ Posters will be judged based on the message of the theme, originality, creativity, and overall presentation.
- ◆ The posters become the property of the CT Department of Public Health Drinking Water Section, and will not be returned.
- ◆ The top winning poster entry will be awarded prizes at a special ceremony during National Drinking Water Week in the spring of 2015.
- ◆ All submittals must be accompanied by the official entry form. The form must be filled out completely and legible.
- ◆ All entries must be received, in person or via mail, by the CT Department of Public Health Drinking Water Section no later than November 30, 2014.
