DATE: June 2, 2009

SUBJECT: Housatonic Water Utility Coordinating Committee (WUCC)

You are receiving this memorandum as an important stakeholder in the Housatonic Water Utility Coordinating Committee. The next meeting of this Committee is scheduled for Thursday June 17th, at 1:00 P.M. at the Brookfield Town Hall, Room 209, located at 100 Pocono Road in Brookfield.

Connecticut's WUCC process is a forum to discuss regional and localized water issues with an audience of water professionals and regulatory agencies that can assist in both regional and local drinking water supply solutions. The Department of Public Health strongly encourages you to become involved. This added level of participation will ensure that the WUCC process truly results in community based solutions to existing public water supply needs or issues. Please note that a request from Cooper, Whitney, Cochran and Francois – attorneys at law, representing High Meadow Association, Inc., to discuss Rural Water Company's "breach of its obligation to provide service to customers within its service area" has been placed on the agenda.

The agenda and other information are available on the DPH website: www.ct.gov/dph/publicdrinkingwater. Select 'Water Utility Coordinating Committee' from the main address for further details. Please do not hesitate to contact me directly at (860) 509-7333 if you require additional information.
