Footnotes:

- 1 For projects tied in number of points, the appropriate tie-breaking criteria has been implemented and the projects ranked accordingly.
- 2 These PWSs serve a population less than 10,000 and are considered "small" for the purposes of DWSRF. In order to meet the 15% small system funding goal, these projects have been prioritized above other higher point projects. Please refer to the IUP for detailed information.
- 3
- 4 Project 2012-0007: This project is anticipated to receive partial funding in the amount of \$3,757,270.
