Community Public Water Systems

FROM: Steve Messer, Supervising Sanitary Engineer 
Drinking Water Section

DATE: August 16, 2011

SUBJECT: Housatonic Water Utility Coordinating Committee (WUCC)

You are receiving this memorandum as an important stakeholder in the Housatonic Water Utility Coordinating Committee. The next general meeting of this Committee is scheduled for Tuesday, August 30th, at 10:00 A.M. at the Brookfield Town Hall, Room 133, located at 100 Pocono Road in Brookfield.

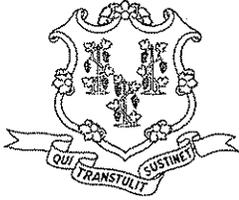

The primary agenda item scheduled to be discussed at this meeting is a request by United Water Connecticut Inc. for clarification and potential WUCC vote for revision of the Greenridge Tax District exclusive service area in accordance with a stipulated agreement resulting from DEEP Docket# 07-04-11RE01 for the Greenridge take-over proceedings. This request was made on August 9, 2011 and is a continuation of discussions concerning this exclusive service area (ESA) that occurred at previous Housatonic WUCC meetings on June 17, 2009 and July 13, 2011. DPH will also be providing draft guidance to the Housatonic WUCC for consistent rules and procedures.

Connecticut's WUCC process is a forum to discuss regional and localized water issues with an audience of water professionals and regulatory agencies that can assist in both regional and local drinking water supply solutions. The Department of Public Health encourages the involvement of and the valuable input received from fellow state agencies.

The agenda and other information are available on the DPH website: www.ct.gov/dph/publicdrinkingwater. Please continue to check the website over the next few weeks for critical updates such as the draft guidance on rules and procedures and a chronological history of the Greenridge Tax District ESA. Select 'Water Utility Coordinating Committee' from the main address for further details. Please do not hesitate to contact me at (860) 509-7333 if you require additional information.
