— Regional Planning Organizations
Community Public Water Systems

FROM:  Steve Messer, Supervising Sanitary Engineer
Drinking Water Section

DATE: September 17, 2010

SUBJECT: Joint Meeting of the Upper Connecticut River and South Central Water Utility
Coordinating Committees (WUCC)

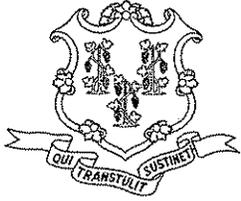

You are receiving this memorandum as an important stakeholder in the Upper Connecticut River and/or South Central Water Utility Coordinating Committee. A joint meeting of these Committees is scheduled for Thursday October 21st at 10:00 A.M. at the Middletown Police Station Community Room located at 222 Main Street in Middletown. Parking is available in the municipal lot. Entry to the lot is off of Court Street opposite the Italian Society Hall. Entry to the police department and access to the community room is under the clock tower of the building.

Connecticut's WUCC process is a forum to discuss regional and localized water issues with an audience of water professionals and regulatory agencies that can assist in both regional and local water supply solutions. The Department of Public Health encourages you to be involved. The primary agenda item for this meeting is to discuss the proposal on the part of Gil Bligh, Chairman of the Upper Connecticut WUCC, for the boundaries of the two WUCC's to be changed effectively merging them into one WUCC.

The agenda and other information are available on the DPH website: www.ct.gov/dph/publicdrinkingwater. Select 'Water Utility Coordinating Committee' from the main address for further details. Please do not hesitate to contact me directly at (860) 509-7333 if you require additional information.

RE: Public Drinking Water: Joint Meeting of the Upper Connecticut River and South Central Water Utility Coordinating Committees

DATE: September 17, 2010

Please post this notice in your town hall for public viewing and feel free to post electronically on your municipal website. The date for a joint meeting of the Upper Connecticut River and South Central Water Utility Coordinating Committees is:

Date: October 21, 2010
Time: 10:00 AM
Venue: Middletown Police Station – Community Room
222 Main Street, Middletown CT 06457

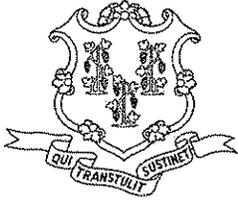

Water Utility Coordinating Committees are regional committees established, pursuant to Connecticut General Statutes (CGS) Section 25-33c through 25-33j, to coordinate the planning and orderly development of Connecticut's public drinking water systems and sources. Each WUCC consists of one representative from each public water system and one representative of each regional planning organization within the delineated management area. The Departments of Environmental Protection, Public Utility Control, and the Office of Policy and Management participate in the process, which is lead by the Department of Public Health.

Parking is available in the municipal lot. Entry to the lot is off of Court Street opposite the Italian Society Hall. Entry to the police department and access to the community room is under the clock tower of the building.

The agenda and other information are available on the DPH website: www.ct.gov/dph/publicdrinkingwater. Select 'Water Utility Coordinating Committee' from the main address for further details. Please do not hesitate to contact me directly at (860) 509-7326 if you require additional information.
