

EMS Paramedic STEMI Conference

STEMI SYSTEMS of CARE: EMS to Cath Lab

Wednesday, September 25, 2013, 9AM-12PM

West Hartford Town Hall, West Hartford, CT

Registration Required — Signup now at:

<https://www.surveymonkey.com/s/HartfordParamedic2>

Space is limited and filling up fast!

Benefits to attending this conference:

- * This regional educational program was **specially developed for Hartford area paramedics** by an EMS Planning Committee.
- * The agenda will include **case reviews** presented by physicians representing each of the area's PCI centers. Topics include:
 - o STEMI alerts
 - o Pre-hospital treatment for the MI patient
 - o STEMI imposters, and
 - o Proper ECG acquisition.
- * After the conference, attendees will receive **free access** to the AHA's online 12-lead course (*Learn: Rapid STEMI ID*).
- * Attendees will receive **3 CMEs**.
- * There is **no cost** to attending this conference!

Planning Committee Members: David Bailey, Kevin Brown, Peter Canning (Co-Chair), Raffaella Coler, Marcin Dada (Co-Chair), Terry Devito, Richard Kamin, Dave Kosciuk, William Muskett, John Quinlavin, Steven Wolf
