T-4 forms will continue to be submitted by EMSI</p>	<p>Question on how State will push forward all of this new information</p> <p>Education & Training needs to work closely with Training Coordinators to move forward with EMS-I standards</p> <p>All initial applications will now require on-line submission of photo – has been required at paramedic level up to now</p> <p>Will need to identify correct email address for all data to go to</p>

Old Business		
CSEMSI	Had symposium last Saturday Alex Rodriguez presented upcoming changes to EMS-I process	
CEMSAB	Education focused issues addressed to DPH representative regarding the following: Outdated tests EMS-I training process Renewal of EMT process (course vs. CME's) Lack of QA / QI oversight for EMS programs Election of new officers slated for tomorrow	State office has imposed moratorium on EMS-I courses and are looking at updating exams to reflect current educational standards Still awaiting DRAFT document from David Tauber for Education & Training Committee to send to State requesting Quality Assurance review of existing EMS programs
CEMSMAC	Statewide Guideline final review and feedback SCT update moving forward	Education and Training asked to review Blood administration PPT and to provide input on suggested changes to program
Educational Standards Documents Transition Materials for Teaching	Awaiting updated exams to reflect 2009 Education Standards	
PTPC	Next meeting December 15 th at CHA following Education & Training meeting	Goodwin College will be graduating their final paramedic class in January 2017
Regulations Review Update	<i>TABLED</i>	
NHTSA Recommendations	<i>TABLED</i>	
Talking Points for EMR/EMT Refreshers from SCEMSC	<i>TABLED</i>	Awaiting report from Art Giroux on neighboring state data
CT EMS EXPO	June 1 – 4, 2016 at Mohegan Sun	
Mobile Integrated Healthcare	John Quinlavin (CEMSAB) has reached out to DSS several times to offer assistance of EMS going forward in MIH process	
Educational Packages		
Cardiocerebral Resuscitation Unified Guidelines	Program completed last month	CEMSMAC comparing CT data against AHA recommendations

MOLST	Data collection continues through John Dempsey and Windham Hospitals	
Specialty Care Transport	Drs. Gallo and Carter continue to work on revisions / updates Presented to CEMSMAC - discussion on creating general floor and ceiling approach to program	Education and Training will need to evaluate Blood Products training module and provide general feedback on proposed changes
New Business		
Goals for 2016	Re-evaluation of membership list to enhance working participation within group Statewide QA / QI oversight recommendation EMR / EMT renewal process update	
AHA 2015 Guidelines Updates	Sent out electronically by Ms. Coler for review Will likely be the final 5 year major level guideline update by American Heart. Transition will be released as significant changes are identified.	December 7 -10 is AHA Rollout in San Diego
Election of Officers	Nominations for Michael Zacchera for Chair. Accepted by Mr. Zacchera Call for additional nomination for Chair three times Nominations for Joshua Beaulieu for Vice-Chair. Accepted by Mr. Beaulieu Call for additional nomination for Chair three times Election results will be pushed forward to Chair of Advisory Board for final recognition and appointment	Motion – Coler Second – Brunet Carried Unanimously Motion – Coler Second – Brunet Carried unanimously
AEMT	Ms. Benoit asked about the AEMT process and the plans within the State to put forward an educational process by established 2017 deadline Currently only two hospitals in State are looking to continue endorsing AEMT training programs.	OEMS is working to assess this process based on work done by Mr. Brown prior to his retirement
Active Shooter Training	Being looked at by Preparedness Committee.	Education & Training should reach out to Preparedness to work on best model training to reach EMS audience. Bill Ackley – Chair of Preparedness Committee

<i>Chairs Report</i>		
	Hartford Hospital recently acquired Certified Chest Pain Center status	
<i>Info Sharing</i>		
	Mike Rivers – Region IV Coordinator now distributing educational opportunities with groups PHTLS at Capital Community College December 5 th & 12 th	Ms. Coler will reach out to Mr. Rivers
<i>Working Meeting Hour</i>		
SCT Program Revision	Blood products PowerPoint will be revised and distributed electronically for review and feedback	
<i>Adjournment</i>	Meeting adjourned at 11:45	Next Meeting – December 15 th at CHA

CT EMS Advisory Board

Education and Training Committee

October 20, 2015

Member Attendees: David Burich, Joshua Beaulieu, Nancy Brunet, Ralf Coler, Donna Lillis, Richard Sanders, Christopher Stone, Daniel Tauber, David Tauber, Michael Zacchera

Excused Members: Blair Balmforth, Skip Gelati

OEMS Staff:

Guests:

Topic	Discussion	Action
Meeting called to order at 09:35	Minutes from 9/15/15 meeting reviewed and approved	Motion –Zacchera Second – Beaulieu
	Motion to add Mobile Integrated Healthcare (MIH) to agenda as monthly item	Motion - Beaulieu Second – Tauber, Daniel
OEMS Update	<p>Advisory Board</p> <p>Ms. Furniss anticipates expeditious posting of OEMS Director and Education Coordinator</p> <p>State EMS Plan distributed electronically</p> <p>Statewide EMS Guidelines out to Regions for review and feedback</p> <p>Mr. Sanders states EMS-I renewals now require submission of renewal application – attestation form.</p> <p>Mr. Stone states that info is intended to be used for ultimate development of on-line database</p>	
Old Business		
CSEMSI	OEMS Roundtable scheduled for November 14 th at Norwalk Hospital. Approved for 4 CEU's	

CEMSAB	Guidelines distributed for review Mr. Quinlavin and Ms. Tufts both stepping away from their positions. Will be upcoming elections to fill Chair and Vice-Chair	
CEMSMAC	Statewide Guidelines distributed to Regional MAC's for feedback SCT program review and revision - Education and Training asked to evaluate and expand on "Blood Products" section	
Educational Standards Documents Transition Materials for Teaching	Update process that had been in development has not yet been located AEMT process – many hospitals have decided to not maintain this level of certification.	
PTPC	Have not met A complaint has been sent in to OEMS regarding a Paramedic program in the State which does not adhere to Commissioner requirement of 10 live intubations Discussion regarding that many EMR and EMT programs also are not meeting established standards and are allowed to continue to run programs despite inability to achieve student competency measures	Mr. Zacchera will reach out to group to try to re-establish meetings Has been forwarded to investigatory level process David Tauber will write DRAFT document for Education and Training Committee to send to the State requesting Quality Assurance review of exiting EMS programs
Regulations Review Update	Awaiting release of completed document from AG Office	
NHTSA Recommendations	<i>TABLED</i>	
Talking Points for EMR/EMT Refreshers from SCEMSC	Idea of doing refresher programs based up to date and appropriate topics. Need for new test to validate current competence CT – one of ten states left who require classroom format refreshers instead of CEU / on-line learning National Registry – maintenance of renewal allows for recertification of State certification	Mr. Groux has begun looking at recertification requirements for other states which he will bring back to committee in November

CT EMS EXPO	June 1 st – 4 th at Mohegan New graphics person evolving program artwork Vendor agreements and speaker applications are out	
Mobile Integrated Healthcare	MIH workgroup have sought input from Advisory Board who state DSS is now in charge of evaluating need for this service. DSS states they will “reach out to stakeholders” once they have data on need	Ms. Furniss stated at Advisory Board that opposition to the process does not exist within DPH
Educational Packages		
Cardio-cerebral Resuscitation Unified Guideline	October 19 th update distributed electronically	Working hour program for today
MOLST	Pilot programs in two sections of State Concerns about adequate data being achievable in timeframe of pilot	
Specialty Care Transport	Drs. Gallo and Carter continue to work on revisions / updates	Education and Training will need to evaluate Blood Products training module
New Business		
Goals for 2016	Completion of Educational Packets Recommendation for Statewide Quality Assurance to monitor program ability to achieve competency EMR / EMT renewal process through distance learning, national Registry, and other CME processes	Motion – Daniel Tauber Second - Zacchera
Meeting dates for 2015-16	Schedule sent electronically by Ms. Coler	November and December meetings at CHA
AHA 2015 Guidelines Updates	Sent out electronically by Ms. Coler for review	
Election of Officers	Nominations occur in November for voting in December Ms. Coler and Ms. Brunet have lead Education and Training for many years and will both be stepping down Mr. Zacchera and Mr. Beaulieu have both expressed interest in becoming Chair / Vice-Chair	Additional nominations will be accepted

Chairs Report		
	All information shared under other topics during meeting	
Info Sharing		
	<p>Mike Rivers – Region IV Coordinator now distributing educational opportunities with groups</p> <p>CSEMS-I Conference November 14th</p> <p>PHTLS at capital Community College December 5th & 12th</p> <p>Dealing with Children with Autism seminar through Tolland Fire on October 26th</p> <p>HH – Dr. Jim Parker from CCMC will speak on pediatric topic - October 22nd</p> <p>JDH – Lethal Stress of EMS November 18th</p>	Ms. Coler will reach out to Mr. Rivers
Working Meeting Hour		
CCR Educational Package	<p>AHA 2015 Guidelines did not overwhelmingly endorse concept of CCR</p> <p>Need to standardize Cardiocerebral in all slides</p> <p>Goal statement – notes reflect AHA perspective</p> <p>Slide 5 – differs slightly from AHA who recommends <i>witnessed cardiac arrest who present in shockable rhythm</i></p> <p>Slide 7 – success rate updated to reflect more current value but takes into account all cardiac arrest not just witnessed V-fib</p> <p>Slide 8 – new OHCA data in pie chart format</p> <p>Slide 9 – need to validate that values are correct</p> <p>Slide 10 – included 2015 recommendations for initial pulse check</p> <p>Slide 11 – need to remove arrows indicating Epinephrine every compression cycle and change black font-on-blue background formatting</p> <p>Slide 12 – 2015 Guidelines reflects need to integrate AED as soon as it becomes available</p>	

	<p>Slide 13 – 2015 Guidelines endorse use of feedback devices but doesn't give overwhelming support for automatic CPR devices</p> <p>Slide 14 – includes 2015 Guidelines update</p> <p>Slide 18 – updated to reflect 2015 AHA Guidelines. Difference in number of cycles from CT (3 vs. 5) – will seek direction from CEMSMAC to clarify</p> <p>Slide23 – reflect AHA 2015 recommendation for AED use – will seek CEMSMAC guidance</p> <p>Slide 27 – will be changed to mirror Slide 11</p> <p>Slide 28 – change NREMT-P to NRP</p> <p>Add final slide to include footnotes from AHA 2015</p>	
Adjournment	Meeting adjourned at 11:45	Next Meeting – November 17 th at CHA
