

**P.I.E. COMMITTEE
TELECONFERENCE MEETING
Thursday, Dec. 4, 2014**

1:30 PM

from

**Emergency Resource Management
1116 Portland-Cobalt Rd (Rte. 66)
863.342.0902**

Teleconference via GoTo meeting platform

(Compliments of Paul Rabeuf – Charlotte Hungerford Hospital)

1. Please join my meeting. <https://global.gotomeeting.com/join/869844685>

AGENDA

1. Call to order
2. Accept Agenda
3. Approve Sept. Minutes
4. Brainstorming on creating our first PSA
 - A) Comcast/Cox development assistance
 - B) Accept draft of brochure development
 - C) EMS List serve status
 - D) Accept Mission Statement
5. New Business
 - A) Committee assignments
 - B) Marketing and membership
6. Open discussion
7. Adjournment

**P.I.E. COMMITTEE
TELECONFERENCE MEETING**

Thursday, Nov. 6, 2014

11:00 AM

from

Emergency Resource Management

PUBLIC INFORMATION AND EDUCATION COMMITTEE
MEETING NOTES
Emergency Resource Management
November 6, 2014

Members Present: Robert Ziegler – ERM (Chair), Michele Connelly – DPH/OEMS,
Judi Reynolds – DPH/OEMS, Jodi McCormick – American Ambulance
Teleconference: None

1.0 Call to Order

Bob Ziegler, Chair, called the meeting to order at 11:13AM, at Emergency Resource Management, 1116, Portland-Cobalt Road, Portland. A teleconference line was attempted to be established, but there were difficulties with the system from Charlotte Hosp.

2.0 Accept Agenda

3.0 Approval of September 2014 minutes

A motion was made to accept the October 2, 2014 minutes by Jodi McCormick, seconded by Michele Connelly and approved.

4.0 Discussion

A.) EMS PSA's

Bob reviewed his comments at the Advisory meeting concerning the need for funding to support committee projects.

Jodi reported she had contacted the New England Ad Council and was informed they had no funding available but are able to help an organization that has established funding. Jodi suggested contacting the Connecticut Broadcasters Association (CBA).

Bob reported he has quotes from Comcast for PSA development, a 30 second spot is approx. \$350.00, and a 60 second would be approx. \$550.00. Airing of the spot is free. It was agreed that the cost was reasonable, we would have to determine if the spots can be used outside Comcast on other networks or regional dissemination on local access channels. Bob suggested researching corporate sponsorships. He noted we need to establish our messages and topics. Discussion followed on what our messages could be with two to three developed per year. Bob will meet with Comcast for further information.

There was discussion on script development. Themes discussed, "Face of EMS", "Who Are We" and "Quiet Hero's". Group consensus was to grab attention through videos and/or stills, background narration and music, with attention grabbing statements. Copyrights have to be considered. Professionalism of presentations and quality are important. Michele commented her husband is contacting the Haddam/Killingworth High School Audio/Visual group to determine if they would be interested in assisting. Jodi suggested soliciting services for pictures and/or videos.

Task for the next meeting; determination of our messages and theme.

Determination of a meeting day that would allow better attendance was discussed. Bob commented anyone interested in assisting or with expertise to share is welcome.

B.) Jodi distributed a copy of her first draft on the brochure. Discussion on content, distribution, funding for printing followed. Jodi reported the cost to print 5,000, two sided color is \$700.00. Funding options and who will handle the funds was discussed.

- C.) Websites/Facebook/Twitter
No new information was shared.
- D.) EMS List Serve
Bob has been attempting to contact the moderator of the EMS list serve, there was discussion on development of a daily send similar to the fire service.

5.0 New Business

- A.) Development of a Mission Statement
Bob suggested "Promoting the Mission of EMS". There was discussion on finding out if OEMS has a Mission Statement as it should coincide with this if possible.
- B.) Committee Assignments
Not discussed. Though members will be tasked with pieces of PSA development for next month's mtg.
- C.) Marketing and Membership
There was discussion on the overall theme and how we can energize services across the state to become involved in activities that would increase their exposure such as, toy drives, food drives, promotion of health related causes, etc. The group decided to set our first promotional activities to coincide with Heart Month in February and possibly partnering with the HEART Safe program. Promotion of having each Region sponsor a CPR training day possibly on Valentine's Day, Sat. Feb. 14th
Bob suggested a theme of "Save the Heart You Love" for this initiative.

6.0 Open Discussion

Task List:

- Michele and Jodi will work on a decal design for the February initiative
- Michele will determine which towns are not currently HEART Safe that may participate
- List of CPR saves that may be willing to be part of the February events
- Plan for event kick off on February 1, 2015
- Continue to work on the brochure and distribution
- PSA development

7.0 Adjourn

Meeting adjourned at 12:25PM

Respectfully Submitted:

Judi Reynolds
SCCEMS Regional Coordinator

1. **Class Cancellation – Both Basic Pump Operations & Aerial Strategies and Tactics**

Both the Basic Pump Operations class, course number 15104 scheduled for Southbury Training School and the Aerial Strategies and Tactics, class course number 15102 scheduled for Torrington Fire Department have been cancelled due to low student enrollment.

The Basic Pump Operations was scheduled for Wednesday September 3rd and Thursday September 4th, 2014.

The Aerial Strategies and Tactics class was scheduled for Saturday September 6th and Sunday September 7th, 2014.

Refund questions should be forwarded to the Connecticut Fire Academy Training Registrar 860-264-9238 or toll free at 1-877-528-3473 extension 238.

2. **Seat Available: (EMT-R) and (EMR-R) - Sponsor: Connecticut Fire Academy**

Refresher to be held at the Connecticut Fire Academy

Date: Four Weekdays; **Monday through Thursday:** September 29, 30 and October 1, 2, 2014

Emergency Medical Responder Refresher (EMR-R) and Emergency Medical Technician Refresher (EMT-R) Class to be held at the CFA

This **Completely Revised Program** reviews and refreshes knowledge and skills required for Emergency Medical Responders and Emergency Medical Technicians currently certified according to the latest U.S. DOT EMT-Basic National Standard Curriculum.

Classroom and "hands-on" training will update the EMR and EMT on current practices and confirm skill levels.

A review and renewal of Healthcare Provider CPR will be conducted in conformance with the latest JAMA standards

through approved program of the American Heart Association.

Written and practical examinations will be conducted in conformance with the policies established by the State of Connecticut Department of Public Health.

Training Prerequisites: Certified Emergency Medical Responder (EMR) Certified Emergency Medical Technician (EMT). Proof must be submitted with application.

Required Text: **AAOS Emergency Medical Technician Transition Manual** available at the CFA Bookstore

Class Hours: 32

Course Number: 15108

Course Fee: \$250.00

3. East Hartford FD is Hosting a 96 Hour N.F.P.A. 472 Hazardous Materials Technician class

Seats Available:

The East Hartford Fire Department is hosting a 96 hour N.F.P.A. 472 Hazardous Materials Technician class.

Class starts September 9, 2014 and runs every Tuesday and Wednesday till October 16, 2014 from 8 a.m. to 4 p.m. in the fire training room at 31 School Street.

Pre-Requisite: Must Be 472 Certified in Awareness-Operational-WMD to take the 96 Hour Course

The course is FREE ...and priority given to regional team member's
Successful completion of the program will require attendance all twelve (12) days.

Enrollment is voluntary and personnel are responsible to secure shift coverage.

If you are interested in attending, contact Rich Leach at rleach@easthartfordct.gov

4. ACLS Refresher - September 23, 2014 at CFA

Seats Available:

The Advanced Cardiac Life Support Course has been developed by the American Heart Association to provide caregivers with the educational resources to recognize, respond, and treat life threatening cardiac emergencies. This course is also intended to educate providers in the recognition and latest treatment modalities in life threatening cardiac events and Acute Ischemic Stroke.

The Connecticut Fire Academy provides a comfortable carefree environment for the adult learner to meet and exceed the goals set by the American Heart Association. We include didactic lecture portions taught by professional practitioners who use ACLS in their daily practice. In addition, scenario based stations allow all

attendees hands on participation.

Date: Tuesday Evening: September 23, 2014

Time: 1800 to 2200

Tuition: \$100.00

Course Number: 15153

5. PALS Refresher - September 30, 2014 at CFA

The Pediatric Advanced Life Support Course has been developed by the American Heart Association to provide caregivers with the educational resources to recognize, respond, and treat life-threatening emergencies. This course is also intended to educate providers in the recognition and latest treatment modalities in pediatric emergencies.

The Connecticut Fire Academy provides a comfortable carefree environment for the adult learner to meet and exceed the goals set by the American Heart Association. We include didactic lecture portions taught by professional practitioners who use PALS in their daily practice. In addition, scenario based stations allow all attendees hands on participation.

Date: Tuesday Evening: September 30, 2014

Time: 1800 to 2200

Tuition: \$100.00

Course Number: 15152

6. 1st Annual Broad Brook Fire Department Car & Bike Show

Saturday, September 6th 2014 – East Windsor Park and Reservoir. Please see flyer for complete details.

7. FINAL OPPORTUNITY to sign up for Firefighter 2 at Hartford County Regional Fire School.

Go to WWW.HCFEP.ORG for an application which can be email, faxed or mailed to reserve a seat in class.

Class starts Tuesday, September 2nd with the Practical Exam Scheduled for November 1st.

8. IAFC Volunteer and Combination Officers Section Report from the Chairman Timothy Wall

VCOS 20th Anniversary

The VCOS 20th anniversary was celebrated at [Fire-Rescue International 2014](#) in Dallas. Thanks to all of the VCOS members who came to the annual meeting and stopped by the VCOS booth to congratulate us on this important milestone.

We're currently gathering quotes, memories, stories and photos to include in a special anniversary publication. We encourage members to submit these via email to VCOS@iafc.org.

In celebration of this special anniversary, VCOS has partnered with Shell Pipeline Company LP to have the VCOS 20th anniversary logo displayed on the No. 22 Shell-Pennzoil Ford racecar driven by Joey Logano in the Sprint Cup Series race at Martinsville, Va., on October 26.

The VCOS board of directors greatly appreciates Shell Pipeline being our partner and recognizing the importance of volunteer and combination fire departments across the nation and we hope this partnership will encourage a new wave of volunteers. The trunk lid will be donated by Shell Pipeline to VCOS at the Symposium in the Sun.

VCOS Officers Elected

On Thursday, August 14, per procedures mandated by the VCOS bylaws, the following VCOS board members were elected to serve as board officers:

- Chief Timothy S. Wall, Chair
- Chief Shane Crutcher, Vice Chair
- Chief Fred Windisch, Secretary/Treasurer

Congratulations to these board members. They will serve until the 2015 election. Board officers are elected annually.

VISION

The VCOS International Strategic Initiative Online Network (VISION) website was officially launched at Fire-Rescue International last week. It provides resources, tools, templates, articles, and more to help volunteer and combination departments. Topics include:

- Capabilities & Competencies
- Community Relations
- Recruitment
- Retention
- Organizational Structure, Strategic & Financial Planning
- Legislation & Regulations
- Reputation Management
- Fire-based EMS

Members are encouraged to use the website and also submit any resources that may benefit other departments.

Next VCOS Webinar: Communicating Your Passion

Join us for the next VCOS webinar on September 11 at 2 PM ET. Chief Tom LaBelle, division chief of Albemarle County (Va.) Fire Rescue, will discuss how to communicate your passion.

Ask most of your members what they're proudest of in their lives and near the top of the list will be their volunteering. Yet most people have a difficult time talking to others about joining the volunteer fire and emergency services community. Getting to "the ask" for some is difficult.

We'll talk about the passion we all have for this great avocation and how to instill that same excitement into strangers to get them to come through our doors.

Register for the webinar today.

Register for the Symposium before September 13 and Save!

Make your plans now for the Symposium in the Sun, Nov. 6-9 in Clearwater Beach, Fla. This year's conference includes sessions such as:

- The Role of Fire & EMS in Active Shooter Situations
- Thinking Firefighters: Science Behind How We Do Business
- Reputation Management in an Era of Citizen Journalism & Social Media

The Symposium is also a great place to network with fellow volunteer and combination officers and company representatives. Register now and save!

Congratulations to the following 2014 scholarship recipients for the Symposium in the Sun. They will each receive a \$1,500 check to cover travel expenses.

VCOS Sponsored Scholarships:

- Jennifer Williams, Southeast Chickasaw (Miss.) Volunteer Fire Department
- Ken Ranalli, Demorest (Ga.) Fire Department
- Emerging Leadership Scholarship sponsored by The Gasaway Consulting Group, LLC
- Dan Kerrigan, East Whiteland Township, Pa.

Awards Presented at Symposium in the Sun

There is only about a week left to submit nominations for awards that will be presented at the Symposium in the Sun. Go to the VCOS Awards page for details on the awards and read about past winners.

Winners will have travel expenses paid by the award sponsor to attend Symposium in the Sun in November and will receive complimentary conference registration from VCOS. The deadline to submit nominations is Aug. 31, so don't miss your opportunity.

- The John M. Buckman III Award, sponsored by Provident Insurance, is given to a chief officer of a volunteer or combination department who demonstrates exemplary leadership, integrity and outstanding moral values. Submit an online application.
- The Emergency Vehicle Safe Operations Achievement Award, sponsored by VFIS, recognizes an emergency service organization that has experienced a significant and verifiable reduction in or zero collisions/incidents/crashes during the period June 1, 2013–May 31, 2014. Apply today.

The Retention and Recruitment Award, sponsored by VFIS, recognizes success and excellence in the retention and recruitment of emergency service organization members. Download the application.

Comments Needed

The Pipeline and Hazardous Materials Safety Administration (PHMSA) recently released the Advance Notice of Proposed Rulemaking (ANPRM) for Oil Spill Response Plans. Please review it and email your comments to John Woulfe by Friday, September 5, so the IAFC can formulate a response.

Principles of Modern Fire Attack: SLICE-RS Video

VCOS helped to sponsor the much-anticipated SLICE-RS training video—the culmination of years of fire research— which outlines new tactical operational plans that incorporate the latest fire dynamic research from UL and NIST and introduces SLICE-RS to the fire community. The video was produced by the International Society of Fire Service Instructors, in partnership with BlueCard Command, Honeywell First Responder Products, Scott Health & Safety, the IAFC's Safety, Health, and Survival Section and VCOS.

9. 2014 SERC Conference

The 2014 State Emergency Response Commission (SERC) Conference will be held on Friday, September 12, 2014 at the Legislative Office Building in Hartford. This free conference will cover a wide range of topics dealing with the Emergency Planning and Community Right-to-Know Act (EPCRA). Please see the attached flyer and registration form. The conference has been approved by DCS-OEDM for 5.5 Fire Marshal credits. Registration forms may be faxed to the Connecticut Fire Academy at (860) 654-1889.

PUBLIC INFORMATION AND EDUCATION COMMITTEE
MEETING NOTES
Sept. 4, 2014

Members Present: Robert Ziegler – ERM, Jodi McCormick – American Ambulance, Maria Wilson – Mystic River Amb, Glenn (?) – Mystic River Amb

Conference call-ins: Paul Rabeuf - Charlotte Hungerford Hosp, Jon Barbagallo – Norfolk Fire PIO, Emily Masters

1.0 Call to Order

The meeting was called to order at 1103hrs by Chair Bob Ziegler at ERM, 1116 Portland-Cobalt Road, Portland. Thank You given to Paul Rabeuf and CHH for allowing the use of his GoTo meeting platform.

2.0 NHTSA Report

In response to the 2 items listed by NHTSA for response by PI&E to the Advisory Board, the committee unanimously agreed and approved the data extracted from PCR's to target injury prevention activities, and; that OEMS should fill the vacant epidemiologist position when possible.

3.0 Process for Ongoing PSA's/posting

Bob shared a PSA developed for the public by the fire service to realize the activities that go on at a scene are not just personnel fooling around having a picnic. EMS should look into such PSA's for EMS specific activities. For instance, thought should be given to create a PSA educating the public to the future situations of staying on scene for 20 plus mins during a cardiac arrest and not rapidly transporting their loved one who is dying. The public will have no idea why we are not 'transporting them quickly' so they can be saved, like we do everyone else. Info will try to be gathered from AHA to see if they have anything for this topic.

PSA's should be thought of, in varying fashions, by all services individually and the EMS system in general, especially with growing knowledge of towns oversights on EMS post Oct. 1st. Towns should be encouraged to add the Regional Councils websites to theirs and vice versa. Discussion about using platforms like Constant Contacts was considered.

Additional discussion ensued about other ways we can help prevent damaging our 'image' in general. We need to look better, dress the part and act the part. Appearances are often an issue in many communities. Bob also suggested starting a campaign noting to all EMS personnel, "we don't live in Barns and we don't drive Busses"! Let's talk the part as well. It's a mentality and an image portrayal, we all need to do our part.

There is also a website, everydayheroct.org that promotes the fire service and membership and list services in each town as a quick reference. How can this be created for EMS? Who would do it, how would it get paid for? The never ending question.

How can the new EMS Chief's organization be utilized to assist in these endeavors?

There was discussion on the daily info disseminated by the Fire List Serve and possibly trying to resurrect with more regularity and membership a similar one currently used for EMS, "CT-EMS". There was also discussion on how to gather more Facebook activity. Though the Regional Coordinators send regular information for EMS providers we should look at ways to broaden that. The use of Everbridge was considered, or obtaining the data lists for Everbridge to be used for another list serve.

The possibility of having one person from each Regional PIE come to the Advisory PIE meetings to share information was discussed and encouraging any PIO's within Dept's to become involved.

Bob will work on getting info concerning access to PBS stations for general PSA's.

The creation of a general information brochure, enhancing the image and mission of EMS was discussed. This could be handed out to all Exam Proctors to disseminate to students, initial and recert classes, to help get the word out.

4.0 **New Business**

Discussion was given to creating a Mission Statement for the PI&E Committee.

Jodi McCormick accepted the position of Co-Chair for the committee.

It was agreed that the committee will meet monthly, on the first Thursday of every month at 1100. The next mtg will be Oct. 2, 2014. For now all mtg's will be at ERM with a teleconference capability.

5.0 **Adjourn**

Meeting adjourned at 1209hrs

Respectfully Submitted:

Robert Ziegler, Chairman
PI&E Committee
