The Connecticut Department of Public Health (DPH) is offering the Phase I Subsurface Sewage Disposal Certification program, hosted by SCSU, every Wednesday from February 10 – March 16, 2016. Attendance and successful completion of the examination is required for all regulatory officials involved with sewage disposal matters pursuant to Section 19-13-B103e (b)(2) of the Public Health Code. Attendance is mandatory for certification. We encourage previously certified persons to attend as a refresher.

SCSU is coordinating the Phase I Subsurface Sewage Disposal Certification training, and there is a \$175 charge for each person attending. Course registration must be done on the TrainCT website. After registering for the course online, payment can be made to SCSU by check or credit card. **DO NOT SEND PAYMENTS TO DPH.** Please click the following link or see the attached brochure for more information: [Environmental Health Training Program \(EHTP\)](#)
