

State Department of Consumer Protection Statutes Pertaining to Radon

Chapter 400 Home Improvement Contractors

Sec. 20-420. Registration of contractors and salesmen required. Contractors performing radon mitigation. Contractors performing removal or replacement of residential underground heating oil storage tank systems.

(a) No person shall hold himself or herself out to be a contractor or salesperson without first obtaining a certificate of registration from the commissioner as provided in this chapter, except that an individual or partner, or officer or director of a corporation registered as a contractor shall not be required to obtain a salesperson's certificate. No certificate shall be given to any person who holds himself or herself out to be a contractor that performs radon mitigation unless such contractor provides evidence, satisfactory to the commissioner, that the contractor is certified as a radon mitigator by the National Radon Safety Board or the National Environmental Health Association. No certificate shall be given to any person who holds himself or herself out to be a contractor that performs removal or replacement of any residential underground heating oil storage tank system unless such contractor provides evidence, satisfactory to the commissioner, that the contractor (1) has completed a hazardous material training program approved by the Department of Environmental Protection, (2) has presented evidence of liability insurance coverage of one million dollars, and (3) has presented evidence of a surety bond in an amount not less than two hundred fifty thousand dollars.

Chapter 392* Real Estate Brokers and Salespersons

Sec. 20-327b. Residential condition reports. Exemption. Regulations.

(a) Except as otherwise provided in this section, each person who offers residential property in the state for sale, exchange or for lease with option to buy, shall provide a written residential condition report to the prospective purchaser at any time prior to the prospective purchaser's execution of any binder, contract to purchase, option, or lease containing a purchase option. A photocopy, duplicate original, facsimile transmission, or other exact reproduction or duplicate of the written residential condition report containing the prospective purchaser's written receipt shall be attached to any written offer, binder or contract to purchase. A photocopy, duplicate original, facsimile transmission or other exact reproduction or duplicate of the written residential condition report containing the signatures of both seller and purchaser, shall be attached to any agreement to purchase the property.

...(d) (2) Such form of the written residential disclosure report shall contain the following:

....(F) Information concerning environmental matters such as lead, radon, subsurface sewage disposal, flood hazards and, if the residence is or will be served by well water, as defined in section 21a-150, the results of any water test performed for volatile organic compounds and such other topics as the Commissioner of Consumer Protection may determine would be of interest to a buyer.
