RE: Public Pool Fees-Plan Reviews, Conformance Inspections and Copy of Design Guide

#### FEES FOR PUBLIC POOL PLAN REVIEWS AND INSPECTIONS:

Connecticut General Statute 19a-36, as amended by Section 1 of Public Act 15-148, stipulates the fee rates for the Department of Public Health application process of all public pool plan reviews and inspections effective October 1, 2015. The fee schedule is as follows:

- |  |          |
|--|----------|
| 1. Initial review of public pool plans               | \$750.00 |
| 2. Review of resubmitted (revised) public pool plans | \$250.00 |
| 3. Initial Conformance Inspection of public pool     | \$200.00 |
| 4. Subsequent Conformance Inspection of public pool  | \$150.00 |

A separate fee will be required for each public pool reviewed. For example, if the submitted application for public pool approval consists of a public swimming pool and a public wading pool, the total fee for the review of this application would be \$1,500.00 (\$750.00 fee for each public pool being reviewed). Likewise, to perform the conformance inspections for the same project, the fee would be \$400.00 (\$200.00 fee for each public pool being inspected).

The above fee schedule holds true for major renovations to existing previously approved public pools. The fee schedule does not apply to the normal maintenance and repair, or the replacement of equipment which had been previously approved, provided that the type, size, and/or operating characteristics of the replacement equipment are not substantially different from the original approved equipment.

#### FEE FOR THE CONNECTICUT PUBLIC SWIMMING POOL DESIGN GUIDE:

Connecticut General Statute 19a-89b, stipulates a fee rate of \$15.00 for a copy of the Connecticut Public Swimming Pool Design Guide. Effective October 1, 2009.
