WHEREAS, during 2013, the Department received information regarding CAS' operations which may pose a health risk to the public.

NOW THEREFORE, the parties (CAS and the Department) hereby stipulate to the following:

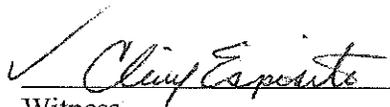

1. CAS' license number 0292 to operate an outpatient surgical facility in Connecticut shall be suspended until 6:00 am on Monday, July 29, 2013.
2. This stipulation shall not deprive CAS of its right to a hearing on the merits of this case, nor shall it be construed as an admission of any fact or waiver of any right to which CAS may be entitled, other than as specifically provided for herein.
3. This Interim Consent Order shall become effective on the day it is approved and signed by a representative of CAS and a representative of the Department.

4. CAS understands and agrees that this Interim Consent Order is a public document and shall be reported in accordance with state and federal law and regulations, and reported consistent with Department policy.
5. CAS has consulted with its attorney prior to signing this Interim Consent Order.
6. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau.
7. This Interim Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this interim consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.
8. During the above-described period of suspension, CAS shall have the burden of proving to the Department that it is in compliance with all applicable statutes and regulations related to its license as an outpatient surgery facility.
9. On or before July 15, 2013, CAS shall provide to the Department a list of all of its licensed health care employees who are employed as of the effective date of this Interim Consent Order, and a copy of the resumes of such employees.

I, Joel Singer, M.D., am licensed to practice medicine and surgery in Connecticut, and I am the sole owner of CAS. I am authorized to sign this Interim Consent Order on behalf of CAS. I have read the above Interim Consent Order, and on behalf of CAS, I agree to the terms set forth therein. I further declare the execution of this Interim Consent Order to be my free act and deed.
