As of 1/02/08

Services Offered on Site:

Primary Medical Care Services = Provision of basic preventive and curative medical services.

Dental Health Care Services = Provision by a dentist or dental hygienist of the following services: preventive, restorative, emergency, and rehabilitation.

Mental Health Services = Mental Health Treatment/Counseling, Developmental Screening, or 24-Hour Crisis Intervention/Counseling defined as Mental health therapy, counseling, or other treatment provided by a mental health professional.

School Based Health Care (SBHC) = A SBHC is a health center located on or near school grounds, including pre-school, kindergarten, and primary through secondary schools, that provides on-site comprehensive preventive and primary health services.

Homeless Health Care= Provision to a patient who lacks housing (without regard to whether the individual is a member of a family), including individuals whose primary residence during the night is a supervised public or private facility that provides temporary living accommodations, and individuals who reside in transitional housing.

Other = Provision of compassionate care to the frail elderly and disabled adults through a variety of services.
