**TO: All Users of State Supplied Vaccine**  
**FROM: Mick Bolduc-Vaccines For Children (VFC) Coordinator<sup>MB</sup>**  
**DATE: July 26, 2011**  
**SUBJECT: Update on DTaP/IPV Combination Vaccine**

The primary purpose of this communication is to inform you that the supply of DTaP/IPV combination vaccine is back in stock.

### **DTaP/IPV Vaccine**

The Immunization Program has been notified that Glaxo SmithKline's DTaP/IPV combination vaccine (brand name Kinrix) is once again back in stock and available to order beginning with your August vaccine order. Providers are reminded that they are expected to use any DTaP and Polio doses they currently have in inventory before they expire and will be held accountable for any wasted doses.

As always, if you have any questions, please feel free to contact the Immunization Program at (860) 509-7929.
