SUBJECT: Update to Department of Public Health Tuberculosis Treatment and Care Payment Policy

Beginning September 1, 2013, the Department of Public Health (DPH) Tuberculosis (TB) Control Program will be implementing changes to the payment policies related to reimbursement for TB treatment and care. Please find attached the updated policy as well as a new invoice form which can be filled out electronically and printed for submission with supporting documentation. Both the new payment policy, invoice form and invoice instructions are available on the TB Control Program website at <http://www.ct.gov/dph/tb>. A mailing containing these documents will also be sent to all entities that have billed DPH for TB services in the last year. Any questions related to payment for TB care and services can be directed to the TB Control Program at 860-509-7722.
