***Re: Replacement of existing imaging equipment that received a CON or a CON Determination per General Statutes § 19a-638 (b) (18)***

Dear Ms. Martone:

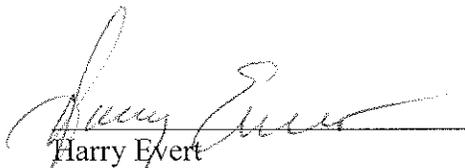

I am writing to inform you, pursuant to § 19a-638 (b) (18) of the general statutes, that Middlesex Hospital has replaced existing imaging equipment that received a CON (Docket #: 04-30230).

The 1.5 Tesla Siemens Avanto fixed MRI (CON Docket#: 04-30230) that was servicing Middlesex Hospital's Outpatient Center at 534 Saybrook Road in Middletown has been replaced with a 3.0 Tesla Siemens Verio fixed unit. The 1.5 Tesla Siemens Avanto MRI unit was traded back in to the manufacturer.

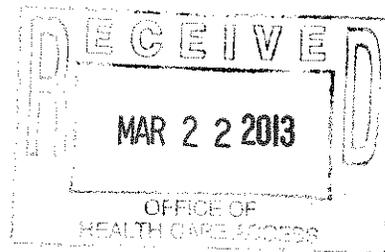

The fixed unit at Middlesex Hospital went into service on March 4, 2013.

Please contact me with any questions at (860) 358-6150.

Sincerely,

Harry Evert  
Senior Vice President, Strategic Planning and Operations
