RE: **Docket Number 08-25546-MDF**; An OHCA initiated modification of the Certificate of Need issued under Docket Number 02-545, as previously modified by Docket Number 05-25546-MDF

Dear Mr. Brag:

On May 20, 2003, the Office of Health Care Access ("OHCA") granted a Certificate of Need ("CON") to HealthCenter Imaging, LLC ("HCI") to establish a dedicated cardiac PET-CT imaging center at 999 Silver Lane in Trumbull Connecticut at a total capital expenditure of \$2,861,274. Condition #5 of the CON authorization required HCI to "provide OHCA with utilization reports on a quarterly basis".

On December 12, 2008, OHCA issued to HCI, a *PROPOSED MODIFICATION NOTICE REGARDING THE DISCONTINUANCE OF THE COLLECTION OF PATIENT LEVEL DATA RELATED TO CERTAIN CERTIFICATES OF NEED AUTHORIZATIONS*. Such Notice indicated OHCA's intent to discontinue the collection of the data provided to OHCA by HCI in compliance with Condition #5 and explained that OHCA was initiating a modification process to vacate the condition and relieve HCI from further submission of data in compliance with such condition.

OHCA determines that this OHCA initiated modification does not affect the relationship of the CON authorization to Section 19a-637 of the Connecticut General Statutes and, as such, OHCA hereby modifies the CON authorized under Docket Number 02-545, as previously modified by Docket Number 05-25546-MDF. OHCA specifically **VACATES** Condition #5 as well as Attachment I of the CON order under Docket Number 02-545. All other conditions set forth in the final decision issued under Docket Number 02-545, as previously modified by Docket Number 05-25546 and not modified herein, will remain in full effect.

So Ordered by the Office of Health Care Access on January 14, 2009.

Signed by Commissioner Vogel on January 14, 2009

Cristine A. Vogel
Commissioner
