RE: **Docket Number 08-30474-MDF**; An OHCA initiated modification of the Certificate of Need issued under Docket Number 05-30474-CON

Dear Dr. Jacoby:

On May 23, 2006, the Office of Health Care Access ("OHCA") granted a Certificate of Need ("CON") to Franklin Medical Group, P.C. ("FMG") and Saint Mary's Hospital (the "Hospital"), together "Applicants", to transfer control of three health centers from the Hospital to FMG and to relocate two health centers at a total capital expenditure of \$125,000. Condition #4 of the CON authorization required the Applicants to "provide OHCA with utilization reports on a quarterly basis".

On December 12, 2008, OHCA issued to the Applicants, a *PROPOSED MODIFICATION NOTICE REGARDING THE DISCONTINUANCE OF THE COLLECTION OF PATIENT LEVEL DATA RELATED TO CERTAIN CERTIFICATES OF NEED AUTHORIZATIONS*. Such Notice indicated OHCA's intent to discontinue the collection of the data provided to OHCA by the Applicants in compliance with Condition #4 and explained that OHCA was initiating a modification process to vacate the condition and relieve the Applicants from further submission of data in compliance with such condition.

OHCA determines that this OHCA initiated modification does not affect the relationship of the CON authorization to Section 19a-637 of the Connecticut General Statutes and, as such, OHCA hereby modifies the CON authorized under Docket Number 05-30474-CON. OHCA specifically **VACATES** Condition #4 as well as Attachment I of the CON order under Docket Number 05-30474-CON. All other conditions set forth in the CON decision issued under Docket Number 05-30474-CON, and not modified herein, will remain in full effect.

So Ordered by the Office of Health Care Access on January 14, 2009.

*Signed by Commissioner Vogel on January 14, 2009*
