RE: **Docket Number 08-30966-MDF**; An OHCA initiated modification of the Certificate of Need issued under Docket Number 07-30966-CON

Dear Ms. Mueller:

On February 7, 2008, the Office of Health Care Access ("OHCA") granted a Certificate of Need ("CON") to Bridgeport Hospital (the "Hospital") to establish an urgent care walk-in medical center at 309 Stillson Road in Fairfield Connecticut at a total capital expenditure of \$829,715. Condition #6 of the CON authorization requires the Hospital to "*provide OHCA with utilization reports for the Center on a quarterly basis*". The Hospital has not yet commenced such filings to OHCA.

On December 12, 2008, OHCA issued to the Hospital, a *PROPOSED MODIFICATION NOTICE REGARDING THE DISCONTINUANCE OF THE COLLECTION OF PATIENT LEVEL DATA RELATED TO CERTAIN CERTIFICATES OF NEED AUTHORIZATIONS*. Such Notice indicated OHCA's intent to discontinue the requirement to collect the utilization data in compliance with Condition #6 and explained that OHCA was initiating a modification process to vacate this condition and relieve the Hospital from its obligation to submit the data in compliance with such condition.

OHCA determines that this OHCA initiated modification does not affect the relationship of the CON authorization to Section 19a-637 of the Connecticut General Statutes and, as such, OHCA hereby modifies the CON authorized under Docket Number 07-30966-CON. OHCA specifically **VACATES** Condition #6 as well as Attachment 1 of the CON order under Docket Number 07-30966-CON. All other conditions set forth in the CON decision issued under Docket Number 07-30966-CON not modified herein, will remain in full effect.

So Ordered by the Office of Health Care Access on January 14, 2009.

Signed by Commissioner Vogel on January 14, 2009

Cristine A. Vogel
Commissioner
