RE: Certificate of Need Determination; Report Number 04-30256-DTR  
Community Renewal Team, Inc.  
Enfield Alternate Incarceration Center  
CON Exemption Pursuant to Section 19a-639b, C.G.S.  
Establish Substance Abuse Outpatient Treatment Facility in Enfield

Dear Dr. Douglas:

The Office of Health Care Access ("OHCA") is in receipt of your request for exemption from the Certificate of Need ("CON") process, pursuant to Section 19a-639b of the Connecticut General Statutes ("C.G.S."), to provide adult outpatient substance abuse treatment at 9 Moody Road in Enfield.

Upon review of the information contained in the request, OHCA finds the following:

1. Enfield Alternate Incarceration Center is a non-profit organization designed to assist the Judicial System at 9 Moody Road in Enfield.
2. Enfield Alternate Incarceration Center is proposing to provide adult outpatient substance abuse treatment at 9 Moody Road in Enfield.
3. The Department of Mental Health and Addiction Services ("DMHAS"), in a letter dated April 11, 2005, from Commissioner Thomas A. Kirk, Jr., Ph.D., recommends an exemption under CGS Section 19a-639b for Community Renewal Team, Inc. to provide outpatient substance abuse treatment services for adults at Enfield Alternate Incarceration Center at 9 Moody Road in Enfield.

4. DMHAS states that the 50 slots will serve clients in the North Central area of Connecticut.
5. The total capital expenditure associated with the proposal is \$399,108.

Based on the above findings, OHCA has determined that providing adult outpatient substance abuse treatment services at 9 Moody Road in Enfield meets the exemption requirements of Section 19a-639b of the Connecticut General Statutes and, therefore, is exempt from OHCA's CON process.

Thank you for providing information to OHCA regarding this proposal. If you have any questions concerning this letter, please contact Paolo Fiducia, Associate Health Care Analyst, Certification, Financial Analysis and Forecasting, at (860) 418-7001.

Sincerely,

Signed by Cristine A. Vogel
