**Addendum to Request For Proposal (RFP)
RFP #2012-0921 HIV Prevention Interventions**

The Connecticut Department of Public Health (DPH), AIDS and Chronic Diseases Section has revised RFP #2012-0921, to remove the requirement to submit the Syringe Exchange Attestation Form for proposers that integrate Syringe Exchange into proposed Effective Behavioral Interventions for Injection Drug Users. The form was to fulfill a federal requirement that is no longer applicable.
