

# Save the Date!

On December 2, 2010, The U.S. Department of Health and Human Services unveiled **Healthy People 2020**, the nation's new 10-year goals and objectives for health promotion and disease prevention.

Students, faculty and public health professionals are invited to attend a presentation and discussion on this new program and the Connecticut Department of Public Health's plan to implement the objectives.

More information on Healthy People 2020 can be found at <http://www.healthypeople.gov/> and the Connecticut Department of Public Health's Healthy People—Healthy Connecticut site at <http://www.ct.gov/dph/> under the program and services tab at the top of the page.
