

Project Name: Advancing CT's Conformance with the FDA Food Program Standards

Project Description (max. 130 words):

*Please include desired outcome or product in your description.

The intern will work with the Food Protection Program staff on a grant project designed to improve Connecticut's compliance with the FDA's Food Protection Program Standards. The focus of this project will be developing self-assessment tools for local health departments and a quality assurance program for the Department of Public Health FPP to use in assessing local food inspection programs. The intern will be exposed to other activities of the FPP as time allows.
