

## Sparkler Safety Tips

- ⊗ Never give sparklers to children under sixteen. It's the law.
- ⊗ Never use sparklers in the middle of a large crowd.
- ⊗ Never wave it near someone else as you could burn them.
- ⊗ Never throw or run with a sparkler.
- ⊗ Hold the sparkler at arm's length.
- ⊗ If your clothes catch on fire, remember...  
**STOP DROP & ROLL**

- ⊗ Sparklers burn at over 1000 degrees Fahrenheit. Use common sense.
- ⊗ Alcohol and Sparklers don't mix.
- ⊗ Follow the warnings on the label.
- ⊗ When the sparkler has finished, put it into a bucket of water.
- ⊗ If you're burned, seek medical help.
