Program Source (TAS) Code: 05-0108

The Connecticut Department of Public Safety will use grant funding from the Recovery Act for costs related to enhancing the Nation's port and maritime infrastructure to prevent, protect, respond to, and recover from threats or acts of terrorism. These funds are intended to create a sustainable, risk-based effort for the protection of critical port infrastructure from terrorism, especially explosives and non-conventional threats that would cause major disruption to commerce and significant loss of life by providing CSP dive team enhancements.
