In such event, the Architect shall be given three (3) days' notice of such suspension in writing by registered or certified mail to the Architect's address as given for correspondence purposes. The notice of termination shall be sent by registered or certified mail to the Architect's address as furnished to the State for purposes of correspondence, or by hand delivery. Upon receipt of such notice, the Architect shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Architect in performing his duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the State.
- B. If the termination is for the convenience of the State, the Architect shall be entitled to receive reasonable compensation for services already satisfactorily performed and accepted, but no amount shall be allowed for anticipated profit on unperformed services. The Commissioner shall determine the amount of such compensation.
- C. If the termination is for reason of failure of the Architect to fulfill his contract obligations, the State may take over the work and prosecute the same to completion by contract or otherwise. In such event, the Architect shall be liable to the State for any additional costs occasioned to the State thereby.
- D. If after notice of termination for failure of the Architect to fulfill his contract obligations it is determined that the Architect had not so failed, the termination shall be deemed to have been effected for the convenience of the State. In such event, the Architect shall be entitled to reasonable compensation as provided in Section B of this article.
- E. If the Architect is a sole proprietor and the Architect should die during the term of this contract, this contract shall be considered terminated. In the event of such termination, the Architect's estate shall be entitled to a reasonable payment for any uncompensated work performed to the date of death, and the State shall have title to, and shall have the right to immediate use and possession of, all finished and unfinished documents prepared under this contract. SEXUAL HARASSMENT POLICY STATEMENT

All personnel of the Department of Public Works have the responsibility for maintaining high standards of honesty, integrity, impartiality and conduct to assure proper performance and maintenance of public trust. Sexual harassment violates these standards, especially with regards to principles of equal opportunity, and specific acts of such misconduct will result in the severest of disciplinary action that can be taken.

Acts of sexual harassment are illegal and prohibited by the Civil Rights Act, Title VII as amended and Connecticut General Statutes 46a-60 as a discriminatory practice.

As the Commissioner of the Department of Public Works, I will under no circumstances tolerate any incidents of this type of behavior. Specifically, any supervisors, who use implicit or explicit sexual behavior to control, influence, or affect the career, pay or job of an employee is engaging in sexual harassment. Similarly, any employee who makes deliberate or repeated offensive verbal comments, gestures, or physical contact of a sexual nature in the work environment is also engaging in sexual harassment.

Sexual harassment can include verbal abuse such as sexual insults, lewd or suggestive comments, or unwelcome jokes of a sexual nature. Sexually suggestive objects or sexually explicit posters, calendars, photographs, cartoons, drawings or other explicit materials are inappropriate in a state workplace and can contribute to creating a hostile or offensive work environment.

Individuals who are sexually harassed by supervisors, co-workers, or peers should make it clear that such behavior is offensive. Individuals can file a sexual harassment complaint to the appropriate source(s) for investigation of the matter, so that action can be taken to ensure a work environment free of sexual harassment.

Sexual harassment is totally unacceptable conduct; it undermines the integrity of the employment relationship, debilitates morale, and interferes with the work productivity of the organization.

I shall expect every manager and supervisor to ensure that any instance of sexual harassment is dealt with swiftly, fairly, and effectively. All substantiated complaints will result in the strongest disciplinary action available to the Department.

SEXUAL HARASSMENT NARRATIVE

Sexual harassment is a particular type of sex discrimination. Like all sexual discrimination, it is illegal. It violates high standards of honesty, integrity, impartiality and conduct required of all sections of the Department of Public Works. It also interferes with and impedes work productivity.

Sexual harassment is defined as "any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by any individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

You may file a complaint with your supervisor, the Human Resources Office at (860) 713-5304 or the Office of Diversity Programs at (860) 713-5308.

Signed by Commissioner Raeanne V. Curtis on September 21, 2007.
