IV. TIME PERIOD

This contract shall commence with the date this contract was entered into and shall expire on **September 1, 2011**. No new projects may be assigned on or after the expiration date, but all projects assigned prior to the expiration date will be allowed to continue to completion with all the terms and conditions of this contract herein set forth remaining in full force and effect. The term of this contract may be extended in writing by the Commissioner.

V. COMPENSATION

- A. The maximum total cumulative fee allowed the Consultant under this contract shall not exceed **Three Hundred Thousand Dollars (\$300,000.00)**. The Consultant shall be entitled to a payment of ten dollars (\$10.00) at the termination of this contract if at such time the Consultant had not received any fee under this contract.

- B. When approximately 75% of the fee set forth in Section A of this article has been expended, the Consultant shall notify the DPW A/E Contracts Administrator in writing of the amount of work completed to that date under this contract. Said notification shall include an itemization of all fees that have been paid to the Consultant pursuant to the work.
- C. If for reasons of incomplete scope, complexity, etc., a fixed fee cannot be determined by the Commissioner, the State shall compensate the Consultant for services rendered under this contract on the basis of pre-approved hourly rates for the personnel assigned to perform the services. The hourly rates shall be determined in accordance with the provisions set forth in the Office of Policy and Management General Letter No. 97-1 dated November 21, 1996, which letter is incorporated herein by reference and made a part hereof as though fully set forth herein. Notwithstanding the preceding sentence, a pre-approved hourly rate shall not exceed a reasonable rate, as determined by the Commissioner, taking into consideration the skills and experience of the person providing the services. When pre-approved hourly rates are applicable, the State shall be responsible for payment for overhead and profit, as set forth in OPM General Letter 97-1. Hourly rate payments shall be made in accordance with the terms and conditions of each task letter. Monthly requests for payment shall be submitted on properly prepared invoice forms with attachments showing actual hours worked, pre-approved hourly rates applied, and any allowable additional direct costs included in the statement. The Consultant shall certify that each amount invoiced is both accurate and commensurate with the work performed for the State under this contract. The State reserves the right to periodically audit the Consultant's financial records. It is specifically understood that these hourly rate payments shall only apply for the period of time that the person is actually employed on projects assigned under this contract.
- D. The State agrees to pay the Consultant, for the services described in each task letter, the total fee set forth in the letter. It is understood that no changes or adjustments shall be made in said fee unless the scope of the work performed or to be performed by the Consultant has substantially changed as determined by the Commissioner. In addition, said fee includes all costs of living, travel and communication, whether within or without the State of Connecticut, connected with the discharge of the Consultant's duties under this contract unless express written notification to the contrary is received from the State.
- E. No payments shall be made until the materials submitted have been reviewed and approved by the DPW.

VI. SUB-CONSULTANTS

- A. Should the Consultant require the services of registered sub-consultants at any time during the duration of this contract, their names and qualifications shall be submitted to the State. Such sub-consultants shall provide evidence of their competence by affixing their seals on any documents prepared by them or under their supervision. The Consultant shall not receive any additional payment from the State in regard to such sub-consultants unless their services relate to hourly-rate assigned work of the Consultant. In such event, the State shall reimburse the Consultant for the cost of such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.
- B. Should it be necessary for the Consultant to engage the services of a test boring firm for the purposes of this contract, the State shall reimburse the Consultant for the cost of such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.

The quotation shall not include, nor shall the Consultant be paid for, an additional percentage of the cost for overhead and profit. The State shall decide whether to allow the Consultant to perform the work with the Consultant's own forces based on the Consultant's quotation, and shall notify the Consultant accordingly.

VII. CHANGES IN SCOPE OF WORK

- A. If at any time during the term of any task assigned under this contract the State should require the Consultant to make any substantial change in the size or scope of the work, including any document already approved, or upon which substantial work had been done pursuant to instruction to proceed, then, and in such event, the

Consultant shall make changes as required and shall be entitled to reasonable compensation therefor. The Commissioner shall determine the amount of such compensation and the manner of payment thereof.

- B. In addition, if at any time during the duration of this contract the State should request the Consultant to reduce the scope of services originally agreed upon for any task assigned under this contract, the Consultant shall then reduce said scope of services, as requested, and the Consultant's fee for such task shall be reduced by a fair and equitable amount determined by the Commissioner.

VIII. DISCLOSURE DECLARATION

By acceptance of this contract, the Consultant hereby declares that neither the Consultant nor any of its shareholders, principals, partners, or employees, as the case may be, will have during the duration of this contract any financial interest in the outcome of any task that the Consultant is asked by the State to perform. If, at the time the Consultant is requested to perform a task, such financial interest exists, the Consultant shall immediately disqualify itself in a written notice to the Commissioner.

The State agrees that all such documentation is not to be altered by others and is to be used only in conjunction with the project for which it was prepared unless written consent is obtained from the Consultant. Such consent will not be withheld provided the State agrees that upon any alterations of the Consultant's documents by others, or upon reuse of the documents for any other project, the Consultant will be relieved by the State of any and all responsibility arising out of such alterations or reuse in connection therewith. The provisions of this article shall survive the termination of this contract and shall thereafter remain in full force and effect.

- C. Should the State reactivate any assigned work covered by this contract, in whole or in part, within one year from the time the work was suspended, any fees paid to the Consultant pursuant to this contract shall be applied as payment on the fees for the work as set forth in this contract at the time of reactivation. Should reactivation occur after a period of suspension exceeding one (1) year, the Consultant and the State may renegotiate the fees for the work based on current conditions or either may unilaterally elect to terminate the remaining work.

All such documents, information, and materials shall become the property of the State.
- B. If the termination is for the convenience of the State, the Consultant shall be entitled to receive reasonable compensation for services already satisfactorily performed and accepted, but no amount shall be allowed for anticipated profit on unperformed services. The Commissioner shall determine the amount of such compensation.

- C. If the termination is for reason of failure of the Consultant to fulfill its contract obligations, the State may take over the work and prosecute the same to completion by contract or otherwise. In such event, the Consultant shall be liable to the State for any additional costs occasioned to the State thereby.
- D. If after notice of termination for failure of the Consultant to fulfill its contract obligations it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the State. In such event, the Consultant shall be entitled to reasonable compensation as provided in Section B of this article.

SEXUAL HARASSMENT POLICY STATEMENT

All personnel of the Department of Public Works have the responsibility for maintaining high standards of honesty, integrity, impartiality and conduct to assure proper performance and maintenance of public trust. Sexual harassment violates these standards, especially with regards to principles of equal opportunity, and specific acts of such misconduct will result in the severest of disciplinary action that can be taken.

Acts of sexual harassment are illegal and prohibited by the Civil Rights Act, Title VII as amended and Connecticut General Statutes 46a-60 as a discriminatory practice.

As the Commissioner of the Department of Public Works, I will under no circumstances tolerate any incidents of this type of behavior. Specifically, any supervisors, who use implicit or explicit sexual behavior to control, influence, or affect the career, pay or job of an employee is engaging in sexual harassment. Similarly, any employee who makes deliberate or repeated offensive verbal comments, gestures, or physical contact of a sexual nature in the work environment is also engaging in sexual harassment.

Sexual harassment can include verbal abuse such as sexual insults, lewd or suggestive comments, or unwelcome jokes of a sexual nature. Sexually suggestive objects or sexually explicit posters, calendars, photographs, cartoons, drawings or other explicit materials are inappropriate in a state workplace and can contribute to creating a hostile or offensive work environment.

Individuals who are sexually harassed by supervisors, co-workers, or peers should make it clear that such behavior is offensive. Individuals can file a sexual harassment complaint to the appropriate source(s) for investigation of the matter, so that action can be taken to ensure a work environment free of sexual harassment.

Sexual harassment is totally unacceptable conduct; it undermines the integrity of the employment relationship, debilitates morale, and interferes with the work productivity of the organization.

I shall expect every manager and supervisor to ensure that any instance of sexual harassment is dealt with swiftly, fairly, and effectively. All substantiated complaints will result in the strongest disciplinary action available to the Department.

SEXUAL HARASSMENT NARRATIVE

Sexual harassment is a particular type of sex discrimination. Like all sexual discrimination, it is illegal. It violates high standards of honesty, integrity, impartiality and conduct required of all sections of the Department of Public Works. It also interferes with and impedes work productivity.

Sexual harassment is defined as "any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by any individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

You may file a complaint with your supervisor, the Human Resources Office at (860) 713-5304 or the Office of Diversity Programs at (860) 713-5308.

In addition, said fee includes all costs of living, travel and communication, whether within or without the State of Connecticut, connected with the discharge of the Consultant's duties under this contract unless express written notification to the contrary is received from the State.

Such sub-consultants shall provide evidence of their competence by affixing their seals on any documents prepared by them or under their supervision. VII. CHANGES IN SCOPE OF WORK

- A. If at any time during the term of any task assigned under this contract the State should require the Consultant to make any substantial change in the size or scope of the work, including any document already approved, or upon which substantial work had been done pursuant to instruction to proceed, then, and in such event, the Consultant shall make changes as required and shall be entitled to reasonable compensation therefor. The Commissioner shall determine the amount of such compensation and the manner of payment thereof.

B. In addition, if at any time during the duration of this contract the State should request the Consultant to reduce the scope of services originally agreed upon for any task assigned under this contract, the Consultant shall then reduce said scope of services, as requested, and the Consultant's fee for such task shall be reduced by a fair and equitable amount determined by the Commissioner.

VIII. DISCLOSURE DECLARATION

By acceptance of this contract, the Consultant hereby declares that neither the Consultant nor any of its shareholders, principals, partners, or employees, as the case may be, will have during the duration of this contract any financial interest in the outcome of any task that the Consultant is asked by the State to perform. If, at the time the Consultant is requested to perform a task, such financial interest exists, the Consultant shall immediately disqualify itself in a written notice to the Commissioner.

The insurance shall remain in effect during the entire duration of this contract and for eight years after substantial completion of the project. For policies written on a "Claims Made" basis, the Consultant agrees to maintain a retroactive date prior to or equal to the effective date of the contract. The Consultant's policy shall provide that it shall indemnify and save harmless the State and its officers, agents and employees from claims, suits, actions, damages and costs of every name and description resulting from negligence and errors and omissions in the work performed by the Consultant under the terms of this contract.

The provisions of this article shall survive the termination of this contract and shall thereafter remain in full force and effect.

(c) The Consultant's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the contract, without being lessened or compromised in any way, even where the Consultant is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.

(d) The Department of Public Works shall be entitled to recover under the Consultant's insurance policy even if a body of competent jurisdiction determines that the Department of Public Works or the State are contributorily negligent.

(e) The rights provided in this section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.

(f) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

(g) Definitions. Unless otherwise indicated, the terms included above shall have the following corresponding definitions:

Claims: All actions, suits, claims, demands, investigations and proceedings of any kind, open, pending or threatened, whether mature, unmatured, contingent, known or unknown, at law or in equity, in any forum.

Consultant Parties: A Consultant's members, directors, officers, shareholders, partners, managers, principal officers, representatives, agents, servants, consultants, employees or any one of them or any other person or entity with whom the Consultant is in privity of oral or written contract and the Consultant intends for such other person or entity to perform under the contract in any capacity.

XII. SUSPENSION OF THE WORK

- A. The State, at any time, may suspend all or any part of the services of the Consultant. In such event, the Consultant shall be given three (3) days' notice of such suspension in writing by registered or certified mail to the Consultant's address as given for correspondence purposes. The mailing of such notice shall preclude any claim on the part of the Consultant as to failure to receive notice of such suspension.
- B. In the event of suspension by the State as noted above, the Consultant shall be entitled to such compensation as the Commissioner shall deem reasonable.
- C. Should the State reactivate any assigned work covered by this contract, in whole or in part, within one year from the time the work was suspended, any fees paid to the Consultant pursuant to this contract shall be applied as payment on the fees for the work as set forth in this contract at the time of reactivation. Should reactivation occur after a period of suspension exceeding one (1) year, the Consultant and the State may renegotiate the fees for the work based on current conditions or either may unilaterally elect to terminate the remaining work.
- D. In the event the State decides to suspend any work under this contract, the State shall become entitled, after payment of outstanding fees, to all finished and unfinished documents prepared pursuant to this contract.
- E. If the Consultant should be unwilling or unable to perform the services required by this contract at the time the State desires to reactivate the work after a period of suspension, then all finished or unfinished documents prepared pursuant to this contract shall become the property of the State and the State shall have the right to immediate possession and use thereof.

XIII. TERMINATION OF CONTRACT

- A. Notwithstanding any provisions or language in this contract to the contrary, the Commissioner may terminate the contract whenever he determines in his sole discretion that such termination is in the best interest of the State. Any such termination shall be effective by delivery to the Consultant of a written notice of termination. The notice of termination shall be sent by registered or certified mail to the Consultant's address as furnished to the State for purposes of correspondence, or by hand delivery. Upon receipt of such notice, the Consultant shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Consultant in performing its duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the State.
- B. If the termination is for the convenience of the State, the Consultant shall be entitled to receive reasonable compensation for services already satisfactorily performed and accepted, but no amount shall be allowed for anticipated profit on unperformed services. The Commissioner shall determine the amount of such compensation.
- C. If the termination is for reason of failure of the Consultant to fulfill its contract obligations, the State may take over the work and prosecute the same to completion by contract or otherwise. In such event, the Consultant shall be liable to the State for any additional costs occasioned to the State thereby.

- D. If after notice of termination for failure of the Consultant to fulfill its contract obligations it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the State. In such event, the Consultant shall be entitled to reasonable compensation as provided in Section B of this article.
- E. If the Consultant is a sole proprietor and the Consultant should die during the term of this contract, this contract shall be considered terminated. In the event of such termination, the Consultant's estate shall be entitled to a reasonable payment for any uncompensated work performed to the date of death, and the State shall have title to, and shall have the right to immediate use and possession of, all finished and unfinished documents prepared under this contract. The Commissioner shall determine the amount of such payment.
- F. The rights and remedies of the parties provided in this article are in addition to any other rights and remedies provided by law or under this contract.

XIV. NONDISCRIMINATION AND AFFIRMATIVE ACTION PROVISIONS, NONDISCRIMINATION PROVISIONS REGARDING SEXUAL ORIENTATION, EXECUTIVE ORDERS, SEXUAL HARASSMENT POLICY, SUMMARY OF STATE ETHICS LAWS AND CAMPAIGN FINANCE LAWS

For the purposes of this article, the word "contractor" is substituted for and has the same meaning and effect as if it read "Consultant."

A. Non-discrimination. References in this section to "contract" shall mean this Contract and references to "contractor" shall mean the Consultant.

The contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the commission; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and sections 46a-68e and 46a-68f and with each regulation or relevant order issued by said commission pursuant to sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and section 46a-56.

(b) If the contract is a public works contract, the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works project.

- (f) The contractor shall include the provisions of sections (a) and (b) above in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the state and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the commission. The contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.
- (g) The following subsections are set forth here as required by section 4a-60a of the Connecticut General Statutes:
- (1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the state of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said commission pursuant to section 46a-56; and (4) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor which relate to the provisions of this section and section 46a-56.

or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

Exhibit A

SEXUAL HARASSMENT POLICY STATEMENT

All personnel of the Department of Public Works have the responsibility for maintaining high standards of honesty, integrity, impartiality and conduct to assure proper performance and maintenance of public trust. Sexual harassment violates these standards, especially with regards to principles of equal opportunity, and specific acts of such misconduct will result in the severest of disciplinary action that can be taken.

Acts of sexual harassment are illegal and prohibited by the Civil Rights Act, Title VII as amended and Connecticut General Statutes 46a-60 as a discriminatory practice.

As the Commissioner of the Department of Public Works, I will under no circumstances tolerate any incidents of this type of behavior. Specifically, any supervisors, who use implicit or explicit sexual behavior to control, influence, or affect the career, pay or job of an employee is engaging in sexual harassment. Similarly, any employee who makes deliberate or repeated offensive verbal comments, gestures, or physical contact of a sexual nature in the work environment is also engaging in sexual harassment.

Sexual harassment can include verbal abuse such as sexual insults, lewd or suggestive comments, or unwelcome jokes of a sexual nature. Sexually suggestive objects or sexually explicit posters, calendars, photographs, cartoons, drawings or other explicit materials are inappropriate in a state workplace and can contribute to creating a hostile or offensive work environment.

Individuals who are sexually harassed by supervisors, co-workers, or peers should make it clear that such behavior is offensive. Individuals can file a sexual harassment complaint to the appropriate source(s) for investigation of the matter, so that action can be taken to ensure a work environment free of sexual harassment.

Sexual harassment is totally unacceptable conduct; it undermines the integrity of the employment relationship, debilitates morale, and interferes with the work productivity of the organization.

I shall expect every manager and supervisor to ensure that any instance of sexual harassment is dealt with swiftly, fairly, and effectively. All substantiated complaints will result in the strongest disciplinary action available to the Department.

SEXUAL HARASSMENT NARRATIVE

Sexual harassment is a particular type of sex discrimination. Like all sexual discrimination, it is illegal. It violates high standards of honesty, integrity, impartiality and conduct required of all sections of the Department of Public Works. It also interferes with and impedes work productivity.

Sexual harassment is defined as "any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by any individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

You may file a complaint with your supervisor, the Human Resources Office at (860) 713-5304 or the Office of Diversity Programs at (860) 713-5308.

Signed by Commissioner Raeanne V. Curtis on September 21, 2007.

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (*italicized words are defined below*):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

IV. TIME PERIOD

This contract shall commence with the date this contract was entered into and shall expire on **September 1, 2011**. No new projects may be assigned on or after the expiration date, but all projects assigned prior to the expiration date will be allowed to continue to completion with all the terms and conditions of this contract herein set forth remaining in full force and effect. The term of this contract may be extended in writing by the Commissioner.

V. COMPENSATION

- A. The maximum total cumulative fee allowed the Consultant under this contract shall not exceed **Three Hundred Thousand Dollars (\$300,000.00)**. The Consultant shall be entitled to a payment of ten dollars (\$10.00) at the termination of this contract if at such time the Consultant had not received any fee under this contract.

Said notification shall include an itemization of all fees that have been paid to the Consultant pursuant to the work.
- C. If for reasons of incomplete scope, complexity, etc., a fixed fee cannot be determined by the Commissioner, the State shall compensate the Consultant for services rendered under this contract on the basis of pre-approved hourly rates for the personnel assigned to perform the services. The hourly rates shall be determined in accordance with the provisions set forth in the Office of Policy and Management General Letter No. 97-1 dated November 21, 1996, which letter is incorporated herein by reference and made a part hereof as though fully set forth herein. Notwithstanding the preceding sentence, a pre-approved hourly rate shall not exceed a reasonable rate, as determined by the Commissioner, taking into consideration the skills and experience of the person providing the services. - D. The State agrees to pay the Consultant, for the services described in each task letter, the total fee set forth in the letter. It is understood that no changes or adjustments shall be made in said fee unless the scope of the work performed or to be performed by the Consultant has substantially changed as determined by the Commissioner. In addition, said fee includes all costs of living, travel and communication, whether within or without the State of Connecticut, connected with the discharge of the Consultant's duties under this contract unless express written notification to the contrary is received from the State.

Such sub-consultants shall provide evidence of their competence by affixing their seals on any documents prepared by them or under their supervision. The State shall decide whether to allow the Consultant to perform the work with the Consultant's own forces based on the Consultant's quotation, and shall notify the Consultant accordingly.

VII. CHANGES IN SCOPE OF WORK

- A. If at any time during the term of any task assigned under this contract the State should require the Consultant to make any substantial change in the size or scope of the work, including any document already approved, or upon which substantial work had been done pursuant to instruction to proceed, then, and in such event, the

Consultant shall make changes as required and shall be entitled to reasonable compensation therefor. The Commissioner shall determine the amount of such compensation and the manner of payment thereof.

- B. In addition, if at any time during the duration of this contract the State should request the Consultant to reduce the scope of services originally agreed upon for any task assigned under this contract, the Consultant shall then reduce said scope of services, as requested, and the Consultant's fee for such task shall be reduced by a fair and equitable amount determined by the Commissioner.

VIII. DISCLOSURE DECLARATION

By acceptance of this contract, the Consultant hereby declares that neither the Consultant nor any of its shareholders, principals, partners, or employees, as the case may be, will have during the duration of this contract any financial interest in the outcome of any task that the Consultant is asked by the State to perform. If, at the time the Consultant is requested to perform a task, such financial interest exists, the Consultant shall immediately disqualify itself in a written notice to the Commissioner.

The insurance shall remain in effect during the entire duration of this contract and for eight years after substantial completion of the project. For policies written on a "Claims Made" basis, the Consultant agrees to maintain a retroactive date prior to or equal to the effective date of the contract. The Consultant's policy shall provide that it shall indemnify and save harmless the State and its officers, agents and employees from claims, suits, actions, damages and costs of every name and description resulting from negligence and errors and omissions in the work performed by the Consultant under the terms of this contract.

SEXUAL HARASSMENT POLICY STATEMENT

All personnel of the Department of Public Works have the responsibility for maintaining high standards of honesty, integrity, impartiality and conduct to assure proper performance and maintenance of public trust. Sexual harassment violates these standards, especially with regards to principles of equal opportunity, and specific acts of such misconduct will result in the severest of disciplinary action that can be taken.

Acts of sexual harassment are illegal and prohibited by the Civil Rights Act, Title VII as amended and Connecticut General Statutes 46a-60 as a discriminatory practice.

As the Commissioner of the Department of Public Works, I will under no circumstances tolerate any incidents of this type of behavior. Specifically, any supervisors, who use implicit or explicit sexual behavior to control, influence, or affect the career, pay or job of an employee is engaging in sexual harassment. Similarly, any employee who makes deliberate or repeated offensive verbal comments, gestures, or physical contact of a sexual nature in the work environment is also engaging in sexual harassment.

Sexual harassment can include verbal abuse such as sexual insults, lewd or suggestive comments, or unwelcome jokes of a sexual nature. Sexually suggestive objects or sexually explicit posters, calendars, photographs, cartoons, drawings or other explicit materials are inappropriate in a state workplace and can contribute to creating a hostile or offensive work environment.

Individuals who are sexually harassed by supervisors, co-workers, or peers should make it clear that such behavior is offensive. Individuals can file a sexual harassment complaint to the appropriate source(s) for investigation of the matter, so that action can be taken to ensure a work environment free of sexual harassment.

Sexual harassment is totally unacceptable conduct; it undermines the integrity of the employment relationship, debilitates morale, and interferes with the work productivity of the organization.

I shall expect every manager and supervisor to ensure that any instance of sexual harassment is dealt with swiftly, fairly, and effectively. All substantiated complaints will result in the strongest disciplinary action available to the Department.

SEXUAL HARASSMENT NARRATIVE

Sexual harassment is a particular type of sex discrimination. Like all sexual discrimination, it is illegal. It violates high standards of honesty, integrity, impartiality and conduct required of all sections of the Department of Public Works. It also interferes with and impedes work productivity.

Sexual harassment is defined as "any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by any individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

You may file a complaint with your supervisor, the Human Resources Office at (860) 713-5304 or the Office of Diversity Programs at (860) 713-5308.

Signed by Commissioner Raeanne V. Curtis on September 21, 2007.

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

No new projects may be assigned on or after the expiration date, but all projects assigned prior to the expiration date will be allowed to continue to completion with all the terms and conditions of this contract herein set forth remaining in full force and effect. The term of this contract may be extended in writing by the Commissioner.

V. COMPENSATION

- A. The maximum total cumulative fee allowed the Consultant under this contract shall not exceed **Three Hundred Thousand Dollars (\$300,000.00)**. The Consultant shall be entitled to a payment of ten dollars (\$10.00) at the termination of this contract if at such time the Consultant had not received any fee under this contract.

under this contract. Said notification shall include an itemization of all fees that have been paid to the Consultant pursuant to the work.

- C. If for reasons of incomplete scope, complexity, etc., a fixed fee cannot be determined by the Commissioner, the State shall compensate the Consultant for services rendered under this contract on the basis of pre-approved hourly rates for the personnel assigned to perform the services. The hourly rates shall be determined in accordance with the provisions set forth in the Office of Policy and Management General Letter No. 97-1 dated November 21, 1996, which letter is incorporated herein by reference and made a part hereof as though fully set forth herein. It is understood that no changes or adjustments shall be made in said fee unless the scope of the work performed or to be performed by the Consultant has substantially changed as determined by the Commissioner. In addition, said fee includes all costs of living, travel and communication, whether within or without the State of Connecticut, connected with the discharge of the Consultant's duties under this contract unless express written notification to the contrary is received from the State.

Such sub-consultants shall provide evidence of their competence by affixing their seals on any documents prepared by them or under their supervision. In such event, the State shall reimburse the Consultant for the cost of such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.
- B. Should it be necessary for the Consultant to engage the services of a test boring firm for the purposes of this contract, the State shall reimburse the Consultant for the cost of such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.

The quotation shall not include, nor shall the Consultant be paid for, an additional percentage of the cost for overhead and profit. The State shall decide whether to allow the Consultant to perform the work with the Consultant's own forces based on the Consultant's quotation, and shall notify the Consultant accordingly.

VII. CHANGES IN SCOPE OF WORK

- A. If at any time during the term of any task assigned under this contract the State should require the Consultant to make any substantial change in the size or scope of the work, including any document already approved, or upon which substantial work had been done pursuant to instruction to proceed, then, and in such event, the Consultant shall make changes as required and shall be entitled to reasonable compensation therefor. The Commissioner shall determine the amount of such compensation and the manner of payment thereof.

- B. In addition, if at any time during the duration of this contract the State should request the Consultant to reduce the scope of services originally agreed upon for any task assigned under this contract, the Consultant shall then reduce said scope of services, as requested, and the Consultant's fee for such task shall be reduced by a fair and equitable amount determined by the Commissioner.

VIII. DISCLOSURE DECLARATION

By acceptance of this contract, the Consultant hereby declares that neither the Consultant nor any of its shareholders, principals, partners, or employees, as the case may be, will have during the duration of this contract any financial interest in the outcome of any task that the Consultant is asked by the State to perform. If, at the time the Consultant is requested to perform a task, such financial interest exists, the Consultant shall immediately disqualify itself in a written notice to the Commissioner.

IX. INSURANCE

The Consultant for the duration of this contract, including any extension of the original contract term, must carry insurance to protect the interest of the State. The Consultant must obtain statutory workers' compensation and employers' liability insurance, comprehensive automobile liability insurance, commercial general liability insurance, and professional services liability insurance, including pollution liability coverage, at not less than the minimum limits as required in this article, all at no cost to the State.

If any claims are paid against its professional services liability insurance policy, the Consultant agrees to purchase additional insurance in order to maintain the minimum coverage of \$1,000,000. The insurance shall remain in effect during the entire duration of this contract and for eight years after substantial completion of the project. For policies written on a "Claims Made" basis, the Consultant agrees to maintain a retroactive date prior to or equal to the effective date of the contract. The Consultant's policy shall provide that it shall indemnify and save harmless the State and its officers, agents and employees from claims, suits, actions, damages and costs of every name and description resulting from negligence and errors and omissions in the work performed by the Consultant under the terms of this contract.

Each of the policies for such kinds of insurance mentioned above shall be issued by an insurance company or companies satisfactory to the DPW and shall contain a provision that coverages will not be changed, cancelled, or non-renewed until at least sixty (60) calendar days' prior written notice has been given to the DPW. Each insurance policy shall state that the insurance company agrees to investigate and defend the insured against all claims for damages to the extent that all alleged damages might be covered by insurance. Such insurance policies shall name the State as an additional insured, except that the State shall not be named as an additional insured with respect to the coverage for the statutory workers' compensation, automobile liability, and employers' liability insurance and to the coverage for professional services liability insurance. The State agrees that all such documentation is not to be altered by others and is to be used only in conjunction with the project for which it was prepared unless written consent is obtained from the Consultant. Such consent will not be withheld provided the State agrees that upon any alterations of the Consultant's documents by others, or upon reuse of the documents for any other project, the Consultant will be relieved by the State of any and all responsibility arising out of such alterations or reuse in connection therewith. The provisions of this article shall survive the termination of this contract and shall thereafter remain in full force and effect.

XI. PROFESSIONAL STANDARDS

The Consultant shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. (c) The Consultant's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the contract, without being lessened or compromised in any way, even where the Consultant is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.

(d) The Department of Public Works shall be entitled to recover under the Consultant's insurance policy even if a body of competent jurisdiction determines that the Department of Public Works or the State are contributorily negligent.

(e) The rights provided in this section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.

(f) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

In such event, the Consultant shall be given three (3) days' notice of such suspension in writing by registered or certified mail to the Consultant's address as given for correspondence purposes. The mailing of such notice shall preclude any claim on the part of the Consultant as to failure to receive notice of such suspension.
- B. In the event of suspension by the State as noted above, the Consultant shall be entitled to such compensation as the Commissioner shall deem reasonable.
- C. Should the State reactivate any assigned work covered by this contract, in whole or in part, within one year from the time the work was suspended, any fees paid to the Consultant pursuant to this contract shall be applied as payment on the fees for the work as set forth in this contract at the time of reactivation. Should reactivation occur after a period of suspension exceeding one (1) year, the Consultant and the State may renegotiate the fees for the work based on current conditions or either may unilaterally elect to terminate the remaining work.
- D. In the event the State decides to suspend any work under this contract, the State shall become entitled, after payment of outstanding fees, to all finished and unfinished documents prepared pursuant to this contract.

XIII. TERMINATION OF CONTRACT

- A. Notwithstanding any provisions or language in this contract to the contrary, the Commissioner may terminate the contract whenever he determines in his sole discretion that such termination is in the best interest of the State. The notice of termination shall be sent by registered or certified mail to the Consultant's address as furnished to the State for purposes of correspondence, or by hand delivery. All such documents, information, and materials shall become the property of the State.
- B. If the termination is for the convenience of the State, the Consultant shall be entitled to receive reasonable compensation for services already satisfactorily performed and accepted, but no amount shall be allowed for anticipated profit on unperformed services. The Commissioner shall determine the amount of such compensation.

- C. If the termination is for reason of failure of the Consultant to fulfill its contract obligations, the State may take over the work and prosecute the same to completion by contract or otherwise. In such event, the Consultant shall be liable to the State for any additional costs occasioned to the State thereby.
- D. If after notice of termination for failure of the Consultant to fulfill its contract obligations it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the State. In such event, the Consultant shall be entitled to reasonable compensation as provided in Section B of this article.
- E. If the Consultant is a sole proprietor and the Consultant should die during the term of this contract, this contract shall be considered terminated. In the event of such termination, the Consultant's estate shall be entitled to a reasonable payment for any uncompensated work performed to the date of death, and the State shall have title to, and shall have the right to immediate use and possession of, all finished and unfinished documents prepared under this contract. The Commissioner shall determine the amount of such payment.
- F. The rights and remedies of the parties provided in this article are in addition to any other rights and remedies provided by law or under this contract.

XIV. NONDISCRIMINATION AND AFFIRMATIVE ACTION PROVISIONS, NONDISCRIMINATION PROVISIONS REGARDING SEXUAL ORIENTATION, EXECUTIVE ORDERS, SEXUAL HARASSMENT POLICY, SUMMARY OF STATE ETHICS LAWS AND CAMPAIGN FINANCE LAWS

For the purposes of this article, the word "contractor" is substituted for and has the same meaning and effect as if it read "Consultant."

The contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the commission; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and sections 46a-68e and 46a-68f and with each regulation or relevant order issued by said commission pursuant to sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and section 46a-56.

The contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.
- (g) The following subsections are set forth here as required by section 4a-60a of the Connecticut General Statutes:
- (1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the state of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said commission pursuant to section 46a-56; and (4) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor which relate to the provisions of this section and section 46a-56.

Exhibit A

SEXUAL HARASSMENT POLICY STATEMENT

All personnel of the Department of Public Works have the responsibility for maintaining high standards of honesty, integrity, impartiality and conduct to assure proper performance and maintenance of public trust. Sexual harassment violates these standards, especially with regards to principles of equal opportunity, and specific acts of such misconduct will result in the severest of disciplinary action that can be taken.

Acts of sexual harassment are illegal and prohibited by the Civil Rights Act, Title VII as amended and Connecticut General Statutes 46a-60 as a discriminatory practice.

As the Commissioner of the Department of Public Works, I will under no circumstances tolerate any incidents of this type of behavior. Specifically, any supervisors, who use implicit or explicit sexual behavior to control, influence, or affect the career, pay or job of an employee is engaging in sexual harassment. Similarly, any employee who makes deliberate or repeated offensive verbal comments, gestures, or physical contact of a sexual nature in the work environment is also engaging in sexual harassment.

Sexual harassment can include verbal abuse such as sexual insults, lewd or suggestive comments, or unwelcome jokes of a sexual nature. Sexually suggestive objects or sexually explicit posters, calendars, photographs, cartoons, drawings or other explicit materials are inappropriate in a state workplace and can contribute to creating a hostile or offensive work environment.

Individuals who are sexually harassed by supervisors, co-workers, or peers should make it clear that such behavior is offensive. Individuals can file a sexual harassment complaint to the appropriate source(s) for investigation of the matter, so that action can be taken to ensure a work environment free of sexual harassment.

Sexual harassment is totally unacceptable conduct; it undermines the integrity of the employment relationship, debilitates morale, and interferes with the work productivity of the organization.

I shall expect every manager and supervisor to ensure that any instance of sexual harassment is dealt with swiftly, fairly, and effectively. All substantiated complaints will result in the strongest disciplinary action available to the Department.

SEXUAL HARASSMENT NARRATIVE

Sexual harassment is a particular type of sex discrimination. Like all sexual discrimination, it is illegal. It violates high standards of honesty, integrity, impartiality and conduct required of all sections of the Department of Public Works. It also interferes with and impedes work productivity.

Sexual harassment is defined as "any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by any individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

You may file a complaint with your supervisor, the Human Resources Office at (860) 713-5304 or the Office of Diversity Programs at (860) 713-5308.

Signed by Commissioner Raeanne V. Curtis on September 21, 2007.

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
