**Re: Notice of Typographic Error for the Environmental Impact Evaluation for the Proposed Litchfield Judicial District Courthouse at Torrington, Connecticut DPW Project BI-JD-239**

Dear Reviewer:

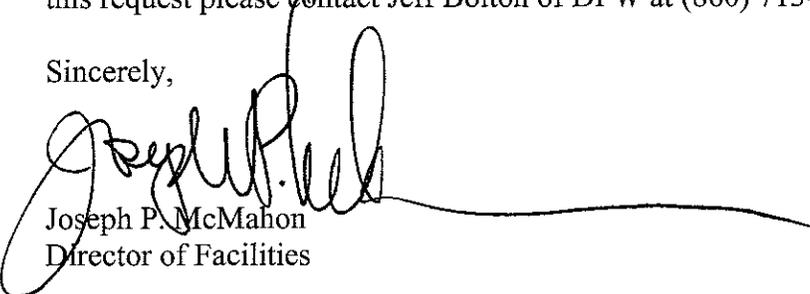

On November 8, 2005, the Judicial Branch, in association with the Department of Public Works (DPW), submitted for your review and comment a copy(ies) of an *Environmental Impact Evaluation* (EIE) for the *Proposed Litchfield Judicial District Courthouse at Torrington, Torrington, Connecticut* (Baystate Environmental Consultants, Inc., November 8, 2005). In Section 7, Cost-Benefit Analysis, page 7-1, there was a typographic error with regards to the construction costs associated with the Kelley and Nidec sites.

The corrected text is: "...Kelley, \$48.0 million, Nidec, \$43.8 million..."

Please replace the November 8, 2005 page 7-1 with the enclosed revised page.

Thank you for your assistance and time in fulfilling this request. If you have any comments with this request please contact Jeff Bolton of DPW at (860) 713-5706 or me at (860) 706-5269.

Sincerely,

  
Joseph P. McMahon  
Director of Facilities
