

State of Connecticut

Board of Trustees for the Connecticut State University System (CSUS)

Notice of Availability of Environmental Impact Evaluation (EIE)

Notice is hereby given, in accordance with the Connecticut Environmental Policy Act, that an EIE has been prepared for the Western Connecticut State University (WCSU) Midtown and Westside Campus Master Plan (the "Proposed Action"). CSUS, in association with WCSU and the Department of Public Works (DPW), proposes to implement the Proposed Action through various projects. The Campus Master Plan proposes a major circulation reorganization, construction of new classroom buildings, new residence halls, parking garages, a wellness center, renovations of existing buildings, demolition, and reorganization of athletic facilities.

Beginning on January 18, 2011, a copy of the EIE will be available for public inspection at each of the following locations: <http://www.ct.gov/dpw/> follow the link under Public Notice; WCSU Haas Campus Library, 181 White Street, Danbury; City of Danbury City Clerk's Office, 155 Deer Hill Road, Danbury; Danbury Public Library, 170 Main Street, Danbury; CSUS Offices, 39 Woodland Street, Hartford; and CT DPW, 165 Capitol Avenue, Room 275, Hartford.

No public hearing is scheduled for this EIE. A request for a public hearing must be made to the contact listed below and requested by 25 or more individuals, or by an association that represents 25 or more members. Such requests must be made by January 28, 2011 by 5:00 pm.

Written comments on this document and any other pertinent information must be sent or postmarked by **March 4, 2011**. Comments must be sent to:
