Property management services for 59 Field Street, Torrington for the period 6/1/09-11/30/10. The property consists of 43,500 square feet of office space with 5.5 acres of parking and grounds. The property was recently purchased for development of a new courthouse to be operated by the Judicial Department. The expenditure calculations are maximum forecasted estimates and include operating expenses passed through the property manager. Actual expenses less than these estimates will not harm the state. Exhibit A

ARTICLE 1 - CONTRACTOR'S RESPONSIBILITIES

- 1.1 **Contractor** - The contractor shall manage, operate and maintain the property in an efficient and satisfactory manner in accordance with relevant State of Connecticut (State) standards promulgated by DPW including but not limited to Purchasing Guidelines for Property Managers dated December 21, 2006, and as may be amended, the provisions of this agreement and all applicable laws, rules and regulations. The contractor shall act in a fiduciary capacity with respect to the proper protection of, and account for, the State's assets. In this capacity, the contractor shall deal at arms length with all third parties and the contractor shall serve the State's interests at all times. The contractor shall not do business with any affiliate of the contractor without the prior written consent of the DPW.
- 1.2 **Employees** - The contractor shall have in its employ at all times a sufficient number of capable employees to enable it to properly, adequately, safely and economically manage, operate and maintain the property. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees are the responsibility of the contractor, which is in all respects the employer of such employees. The contractor may negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for the State, collective bargaining agreements or labor contracts resulting therefrom. The contractor shall fully comply with all applicable laws, rules and regulations with respect to workers' compensation, social security, unemployment insurance, hours of labor, wages, working conditions, and other employer-employee related subjects. The contractor represents that it is and will continue to be an equal opportunity employer. All employment arrangements are therefore solely its concern and the State shall have no liability with respect thereto.
- 1.3 **Schedule of Employees** - The contractor shall provide a schedule of employees to be employed wholly or in part in the direct management of the property. This schedule shall include the number of employees and their titles and salary ranges. On the employee schedule, the contractor shall identify those employees whose salaries may from time to time be charged to the property for direct services rendered to the property. Employees whose salaries are eligible to be charged include, but are not limited to, property managers, engineers or others included as part of the approved operating budget, which is hereinafter mentioned. Employees whose salaries may not be charged include, but are not limited to, general management personnel, accountants and auditors. Such schedule is to be submitted with the proposed operating budget.
- 1.4 **Compliance with Laws**- The contractor shall be responsible for determining compliance with Federal, State and municipal laws, ordinances, rules, regulations and orders relative to the use, operation, and maintenance of the property. The contractor shall promptly notify the DPW of any violation of any such law, ordinance, rule, regulation or order which comes to the contractor's attention, and take action with DPW's approval to promptly remedy such violation.

Actions in remedying of violations may be implemented prior to obtaining the approval of DPW if the estimated expenses to be incurred do not exceed \$2,500.00 in any one instance. When more than such amount is required or if the violation is one for which the State might be subject to a penalty, the contractor shall notify the DPW by the end of the next business day so that prompt arrangements may be made to remedy the violation.

- 1.5 Approved Operating Budget** - The contractor shall prepare and submit to the DPW, within fifteen (15) days from the date this agreement is approved by the Attorney General's Office, a proposed operating budget for the operation, management and maintenance of the property for the balance of the current fiscal year.

The DPW will consider the proposed operating budget and will consult with the contractor as soon as reasonably practicable, in order to agree on an approved operating budget.

The contractor agrees to use diligence and to employ all reasonable efforts to ensure that the actual cost of managing, maintaining and operating the property shall not exceed the amount necessary and, in any event, will not exceed the approved operating budget either in total amount or in any one accounting category.

During the term of this agreement the contractor shall inform the DPW of any major increases in costs and expenses that were not foreseen during the budget preparation period and thus are not reflected in the approved operating budget.

- 1.6 Monthly Reports** - The contractor shall prepare and submit to the DPW a monthly report covering the matters set forth in Exhibit B by the 10th of each month. Each such report shall cover the period beginning the first (1st) day of the immediately preceding calendar month and ending on the last day of such calendar month.

- 1.7 Competitive Bidding** - All contracts for commodities and services, and repairs to and alteration or renovation of real property exceeding \$2,500.00 shall be awarded by the contractor on the basis of competitive bidding, solicited in the following manner:

- A. A minimum of two (2) written bids shall be obtained;
- B. Each bid will be solicited in a form prescribed by the DPW so that uniformity will exist in the bid form;
- C. All bids are subject to the approval of the DPW;
- D. If the contractor advises acceptance of other than the lowest bid, the contractor shall adequately support, in writing, its recommendations to the DPW;

- E. The DPW shall be free to accept or reject any and all bids;
- F. Once a vendor is selected, where appropriate, the contractor shall obtain proof of the vendor's insurance as specified in Section 2.3. Proof of insurance coverage must be obtained before the work or services of the vendor begins unless in case of an emergency as specified in Section 1.9.

1.8 Service Contracts – The contractor shall not enter into any contract for cleaning, maintaining, repairing or servicing the property or any of the constituent parts of the property without the prior written consent of the DPW. As a condition to obtaining such consent, the contractor shall supply the DPW with a copy of the proposed contract and shall state to the DPW the relationship, if any, between the contractor, or the person or persons in control of the contractor, and the party proposed to supply such services.

All service contracts shall: (a) be on a fixed-fee basis, (b) be in the name of the contractor as agent for the DPW, (c) be for a term not to exceed November 30, 2010 and include provision for cancellation thereof by the State upon not less than 30 days' written notice, for without cause, and upon not less than 3 days' notice for cause, (d) require that all service vendors provide evidence of sufficient insurance and (e) be within the guidelines set forth in the approved operating budget. Unless the DPW specifically waives such requirements, all service contracts shall be subject to the bidding requirements under the procedures as specified in Section 1.7.

1.9 Repairs – The contractor shall supervise all ordinary and extraordinary repairs, decorations and alterations, capital improvements, remodeling and occupant improvements, all subject to the terms of this agreement. The contractor may charge an additional (construction) management fee for the supervision of certain repairs and improvements. Such fee shall be negotiated with and agreed to by the DPW on a case by case basis.

In case of an emergency, the contractor may make expenditures for repairs without prior written approval of the DPW, if such repair is necessary to prevent damage or injury. For minor incidents (less than \$10,000), DPW must be informed of any such expenditures before the end of the next business day. For major incidents (greater than \$10,000), immediate notification to DPW must occur.

1.10 Cooperation – Should any claims, demands, suits or other legal proceedings be made or instituted by any person against the State in connection with this agreement, the contractor shall give the DPW all pertinent information and reasonable assistance in the defense or other disposition thereof. The terms of this paragraph shall not be construed as a waiver of sovereign immunity.

ARTICLE 2 - CONTRACTOR'S INSURANCE

2.1 **Contractor's Insurance** – At all times during this contract and during any amendment thereto, the contractor shall protect, indemnify and hold harmless the State, its officers, agents and employees, from and against any and all loss, cost, liability, injuries (including death), damages, compensation, and expense, including without limitations, all claims, demands, penalties, action, causes of action, suits, litigation and attorney's fees and costs, sustained by or alleged to have been sustained by the State, its officers, agents and employees, and sustained by or alleged to have been sustained by the property, real or personal, of the State, its officers, agents and employees, and sustained by or alleged to have been sustained by the public or by any other person or property, real or personal, from, or arising out of, or directly or indirectly due to, any cause, condition, event, accident, incident, happening or occurrence, related to and including without limitation, the following:

For all state contracts as defined in P.A. 07-1 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this contract expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See SEEC Form 11 below.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS
OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on page 2):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties – Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The state will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
