

The Connecticut withholding tax tables have not changed.

The 2006 withholding tax tables are the same as the 2005 tables. Please use these tables until **Informational Publication 2006(1)**, *Connecticut Circular CT*, is released in January 2006.

See next page for important instructions for employees in civil unions.

New for 2006 Withholding Tax – Employees in Civil Unions

An employee who is a party to a civil union recognized under Connecticut law should complete a new [Form CT-W4](#) (effective 1/1/06). By choosing the filing status of *civil union filing jointly or civil union filing separately*, the employee will have the correct amount of Connecticut income tax withheld from his or her wages. The wages subject to Connecticut income tax withholding are the same as the wages subject to federal income tax withholding, determined as if the employee were married. For example:

1. An employer provides health insurance coverage for employees and their families. For federal income tax withholding purposes, the coverage for an employee's spouse is a nontaxable fringe benefit, but the cost of coverage for an employee's civil union partner is taxable income to the employee. For Connecticut income tax withholding purposes, the benefit for the civil union partner is treated in the same manner as a benefit for a spouse; therefore the coverage for the civil union partner is not taxable.
2. An employer provides a "cafeteria plan" package which allows employees to use pre-tax income for health insurance payments. For federal income tax withholding purposes, the premiums for an employee's spouse are a pre-tax salary reduction, but the premiums for a civil union partner are not a pre-tax salary reduction. However, for Connecticut income tax withholding purposes, the premiums for a civil union partner are a pre-tax salary reduction.

Out-of-state same-sex marriages (as opposed to civil unions) have no legal significance and are not recognized for any purpose in Connecticut, including Connecticut income tax purposes.

Replacement for IP 2005(7), Connecticut Circular CT, Page 35.

Use IP 2005(7) until the release of IP 2006(1), Connecticut Circular CT in January 2006.

EMPLOYERS: Use either the **withholding calculation rules** on this page or the **withholding tables** (Pages 3 through 10) to determine the amount of tax to be withheld from the wages of employees. **There is no percentage method available for determining Connecticut withholding.**

Withholding Calculation Rules - Effective January 1, 2006

The following steps will determine the amount of Connecticut income tax to be withheld from an employee's wages:

- | <u>STEP</u> | <u>ACTION</u> | <u>STEP</u> | <u>ACTION</u> |
|-------------|---|-------------|---|
| 1. | Determine the employee's wage per pay period. | 8. | Using annualized salary (Step 3) and withholding code (Step 4), determine decimal amount from TABLE B - PERSONAL TAX CREDITS . (See Page 2.) |
| 2. | Determine the number of pay periods in a year. (For example, 52, 26, 24, 12) | 9. | Multiply initial withholding amount (Step 7) by 1.00 minus the decimal amount. (For example, 1.00 - .14 = .86) |
| 3. | Determine annualized salary. (Multiply Step 1 by Step 2.) | 10. | Determine withholding amount per pay period. (Divide Step 9 by Step 2.) |
| 4. | Determine employee's withholding code. (A, B, C, D, or F from Line 1 of Form CT-W4) | 11. | Determine additional withholding amount per pay period. (Line 2 from Form CT-W4) |
| 5. | Using annualized salary (Step 3) and withholding code (Step 4), determine exemption amount from TABLE A - EXEMPTIONS . (See Page 2.)

Note: The personal exemption is reduced in increments of \$1,000. For example, an employee with withholding code "F" and an annualized salary of \$25,275 receives an \$11,625 exemption. | 12. | Determine reduced withholding amount per pay period. (Line 3 from Form CT-W4) |
| 6. | Determine annualized taxable income. (Subtract Step 5 from Step 3.)

Note: If annualized taxable income (Step 6) is equal to or less than zero, the initial withholding amount should equal zero. Proceed to Step 11. | 13. | Determine total withholding amount per pay period. (Add Step 10 and Step 11.) or (Subtract Step 12 from Step 10.)

Note: For withholding rules for supplemental compensation (such as bonuses, commissions, overtime pay, sales awards, etc.), refer to <i>Supplemental Compensation</i> on Page 13. For withholding rules on one-time or miscellaneous payments refer to <i>Withholding for Daily/Miscellaneous Amounts</i> on Page 12. |
| 7. | Determine initial withholding amount from table below. | | |

WITHHOLDING CODE: A, D, or F	WITHHOLDING CODE: B	WITHHOLDING CODE: C
<p>If the amount from Step 6 is less than or equal to \$10,000:</p> <p style="text-align: center;">Multiply the amount from Step 6 by .03.</p> <p>If the amount from Step 6 is more than \$10,000:</p> <p style="text-align: center;">Multiply the excess over \$10,000 by .05 and add \$300.</p>	<p>If the amount from Step 6 is less than or equal to \$16,000:</p> <p style="text-align: center;">Multiply the amount from Step 6 by .03.</p> <p>If the amount from Step 6 is more than \$16,000:</p> <p style="text-align: center;">Multiply the excess over \$16,000 by .05 and add \$480.</p>	<p>If the amount from Step 6 is less than or equal to \$20,000:</p> <p style="text-align: center;">Multiply the amount from Step 6 by .03.</p> <p>If the amount from Step 6 is more than \$20,000:</p> <p style="text-align: center;">Multiply the excess over \$20,000 by .05 and add \$600.</p>
<p>For example: If the amount from Step 6 is \$10,000 and the withholding code is "F", the initial withholding amount equals \$300 (\$10,000 x .03 = \$300).</p> <p>If the amount from Step 6 is \$15,710 and the withholding code is "F", the initial withholding amount equals \$585.50 (\$15,710 - \$10,000 = \$5,710. \$5,710 x .05 = \$285.50. \$285.50 + \$300 = \$585.50).</p>		

Use these tables in completing the withholding calculation
