### How to Register

#### Online Registration

You may register for most taxes online using the Taxpayer Service Center (TSC). If you register online and there is a fee, you must make direct payment from your savings or checking account. Credit card payments are not accepted. If you register for sales tax, room occupancy tax, or as an over-the-counter cigarette dealer (retailer), a temporary permit will be available to print immediately. Be sure to print a copy of the temporary permit for your records. Once you have the temporary permit you may begin using it immediately. After you complete the registration, you will receive a confirmation number which serves as an official acknowledgement that your application has been received by DRS and acts as your temporary tax identification number. You will receive your registration package with your permanent Connecticut tax registration number in approximately ten business days.

If you are registering for a tax type that requires you to attach Addendum B to the REG-1 or if you are registering as a cigarette retailer (included on Addendum A), you may register online. If you are registering for another tax type that requires you to attach Addendum A, C, D, or E to the REG-1, you must register by mail or in person at the DRS office in Hartford.

#### Mail-In Registration

Complete Form REG-1 and mail it to DRS at:

Department of Revenue Services  
PO Box 2937  
Hartford CT 06104-2937

If you owe a registration fee, you must include payment by check or money order with the application. You will receive your Connecticut tax registration number in the mail in **two to three weeks**.

You may file Form REG-1 in person at any of the DRS offices:
- Bridgeport - 10 Middle Street  
- Hartford - 25 Sigourney Street

You will be issued a Connecticut tax registration number immediately. Bring photo identification, such as a driver’s license, and cash, a check, or a money order if you owe a registration fee. DRS does not accept credit or debit cards.

The application must be signed by the individual owner, partner, officer of the corporation, member of the limited liability company, or another who has an executed Power of Attorney with the authority to sign. If anyone other than the owner brings the signed application to the office and wants to obtain the registration for the owner, he or she must have written authorization from the owner to obtain the registration on his or her behalf.
