

STATE OF CONNECTICUT  
DEPARTMENT OF SOCIAL SERVICES  
25 SIGOURNEY STREET • HARTFORD, CONNECTICUT 06106-5033

TO: All Petroleum Product Vendors  
FROM:  Carlene O. Taylor, Program Administration Manager  
Community, Energy & Refugee Services  
SUBJECT: Supplier/Vendor Conditions of Participation Form  
DATE: October 2, 2012

Attached please find the 2012-2013 Supplier/Vendor Conditions of Participation Form (hereinafter referred to as the "Document") for vendors of No. 2 oil, kerosene and propane, setting forth the conditions of participation in the energy assistance program administered by the state Department of Social Services (DSS). The conditions referenced in this Document apply to fuel deliveries made to households determined by Community Action Agencies to be eligible for benefits provided through the Connecticut Energy Assistance Program (CEAP) and the Contingency Heating Assistance Program (CHAP).

If your company wishes to participate in the delivery of fuel in accordance with the CEAP and CHAP programs, please complete, sign the attached Document and have it notarized. **Please return the attached Document as soon as possible to:**

Connecticut Department of Social Services  
Community, Energy & Refugee Services Division  
25 Sigourney Street, 10<sup>th</sup> Floor  
Hartford, Connecticut 06106-5033

Please note the following:

- **The first date for fuel deliveries is November 15<sup>th</sup>.**
- **The fuel authorization process remains the same as last year.** Vendors will deliver up to the identified amount. Vendors will receive authorizations from the Community Action Agency for "Basic," "Crisis Assistance" and "Safety Net Assistance" benefits **prior** to each delivery. **Only one delivery is to be made per authorization.** (Example - If you receive an authorization for \$575, and only deliver \$350, the remaining \$225 cannot be made under that same authorization.)
- **Vendors must provide verification of their registration with the Department of Consumer Protection,** in accordance with Sec. 16a-23m of the Connecticut General Statutes.
- Deliveries made under the Fixed Margin Pricing Program will be paid based on the daily No. 2 price. Vendors can obtain these prices by **checking the Vendor Information section of our website at [www.ct.gov/staywarm](http://www.ct.gov/staywarm) after 3:00 p.m. each day.** The posted prices reflect the amounts that will be paid for deliveries of No. 2 oil made on the following day.

- Eligible energy assistance clients may use a portion of their basic benefits to pay for a clean, tune and test of their deliverable fuel heating system. Landlord permission is required in a rental situation. **In order to be eligible for payment, the clean, tune and test must be authorized by the Community Action Agency.**
- Eligible Energy assistance clients may use a portion of their benefits to pay for a restart of their deliverable fuel heating system. Restart payment will be made, provided that sufficient funds remain in the eligible household's benefits. No more than one restart payment will be paid per household per program year. Payment for additional restarts will be the responsibility of the participating household.

In response to continued requests from the deliverable fuel industry, DSS will use information from the Oil Price Information Service (OPIS) to determine the daily Fixed Margin Price, which will be used to pay oil vendors making deliveries to CEAP or CHAP households. The Fixed Margin Price will be based on the daily OPIS Standard No. 2 Fuel Oil with 0.3 sulfur content, Gross No. 2 Distillate Price, plus a fixed margin of 31 cents per gallon.

In addition, the Fixed Margin Pricing Program will continue to include county differentials in the pricing mechanism. The county differentials are included in response to increases in transportation, delivery and operation costs. The differentials vary from county to county, and were determined based on a county-by-county comparison of the retail prices of 67,700 oil deliveries completed under last year's energy assistance program. The county differentials are as follows, and **include the 31 cents fixed margin:**

Middlesex County	\$0.343
Hartford County	\$0.349
New London County	\$0.352
New Haven County	\$0.355
Litchfield County	\$0.377
Tolland County	\$0.409
Windham County	\$0.410
Fairfield County	\$0.425

The following example is for demonstration purposes.

Under the Fixed Margin Pricing Program pricing mechanism, oil deliveries made on Wednesday, December 7, 2011 were paid based on the Tuesday New Haven Rack Average OPIS Price, as provided on Tuesday, December 6, 2011 by OPIS. The price was determined as follows:

\$3.057	New Haven Rack Average OPIS Price, Tuesday, 12/6/11
.310	Fixed Margin
<u>.115</u>	County Differential – Fairfield County
\$3.482	Total Fixed Margin Price for No. 2 oil – Wednesday, 12/7/11 (Fairfield County)

Please note, since each county has a different county differential, the Total Fixed Margin Price on any given day will vary from county to county.

Vendors who deliver in multiple counties will be paid in accordance with the county differential in which the delivery is made. DSS will determine all fixed margin prices.

**Vendors must put their retail price on all delivery tickets, bills or statements.** If the vendor's posted retail price is lower than the Fixed Margin Price, the vendor will be paid in accordance with the retail price.

For those deliveries of home heating oil paid by the program, vendors shall not charge CEAP or CHAP customers the difference between their retail price and the CEAP or CHAP payment.

The pricing mechanism may be adjusted by DSS to respond to unanticipated changes in the home heating oil market.

Deliveries made before an energy assistance customer's eligibility has been determined may be paid, if the customer is found eligible, and the delivery was made on or after **November 15, 2012**.

The attached Document once received and accepted by DSS, shall be in effect from November 15, 2012 through September 30, 2013. Important dates are provided below:

- **November 15, 2012**                      **First day for fuel authorizations or deliveries.**
- March 15, 2013                      Deadline for fuel authorizations or deliveries.
- May 1, 2013                              Last day that a household can apply to establish its eligibility for benefits unless the household is utility heated and has a shut off notice for its primary source of heat.
- May 15, 2013                              Last day that a utility heated household with a shut off notice for its primary source of heat can apply to establish its eligibility for benefits.
- May 31, 2013                              Last day to submit deliverable fuel bills.

**Please detach this memorandum and retain it for your records.** If you have any questions concerning the completion of the Document, please call the Energy Services Unit at 1-800-842-1132.

**You may also contact the CAA's if you have further questions.**

### PART III – GENERAL PROVISIONS

\_\_\_\_\_  
(Full Name of Vendor)

hereinafter referred to as "Vendor," does hereby agree that it, its trade name(s) and d.b.a(s) shall:

1. Not bill an energy assistance customer or Community Action Agency more for services or product than billed to any other customer who orders the same services or quantities of product;
2. Legibly post on all invoices, statements and metered tickets the **client name, service address** and the **current (as of date of delivery) residential retail rate per gallon;**
3. Extend to energy assistance customers any prompt payment discounts afforded other customers, and shall provide that the beginning of the discount period commences upon the date of the Vendor's presentation of the bill to the Community Action Agency;
4. Make deliveries in accordance with Sec. 16a-22a of the Connecticut General statutes;
5. Make deliveries within the amounts authorized by the Community Action Agency. Vendors will receive authorizations from the Community Action Agency for "Basic," "Crisis Assistance" and "Safety Net Assistance" benefits **prior to each delivery. Only one delivery is to be made per authorization;**
6. Agree that the energy assistance program may cover the cost of a clean, tune and test for an energy assistance customer, providing that sufficient funds remain in the eligible household's basic benefits. **In order to be eligible for payment, the clean, tune and test must be authorized by the Community Action Agency;**

7. Agree that the energy assistance program may pay for up to one (1) restart per household during the program year. Restart payment will be made, providing that sufficient funds remain in the eligible household's benefits. Payment for additional restarts will be the responsibility of the participating household;
8. Allow inspection by the state or an agent of the state of any company records deemed necessary by the state or said agent for verification of the accuracy and legitimacy of invoices, including, but not limited to retail rates per gallon;
9. Agree to retain all records related to participation in the program for a period of three years from the close of the program;
10. Agree that in the case of a disputable invoice, the state reserves the right to withhold payment until resolution of the matter;
11. Agree that in order to receive payment, the energy assistance customer and/or Vendor must submit bills to the Community Action Agency by May 31, 2013;
12. Submit this properly executed Document in order to be included on the Approved Supplier Vendor List;
13. Submit verification of your registration with the Department of Consumer Protection for your company and all DBA's, in accordance with Sec. 16a-23m of the Connecticut General Statutes. **The verification(s) must be attached to your completed Document;**
14. Agree that energy assistance customers will not be charged the difference between the Vendor's retail price and the Fixed Margin Price;
15. Agree that, based on the availability of funds; payments will be issued within thirty days of the Community Action Agency's **receipt and approval of bills**. (The thirty day payment period is based on the date the bill is received, not the date the delivery is made.);
16. Agree that energy program payments will be determined according to the price on the **date that the fuel is delivered**, not the price for the date that the fuel was approved and/or authorized;
17. Agree that in the case of receipt of payment for a delivery from both an energy assistance customer and a Community Action Agency, the Vendor shall reimburse the customer if the customer so requests. (Reimbursement shall be for the amount paid by the customer.);
18. Make emergency deliveries to energy assistance customers within twenty-four hours of receipt of a fuel authorization from the Community Action Agency and seventy-two hours for non-emergency deliveries. If unable to make deliveries within the allotted times, the Vendor must notify the Community Action Agency as to when the delivery will be made. (If the delivery cannot be made within the allotted times, it may be necessary for the Community Action Agency to cancel the authorization, and reauthorize the delivery with another vendor.)
19. Agree that payment under the energy assistance program is guaranteed only for those fuel deliveries which are authorized by the Community Action Agency. **(In order to guarantee program payment for customers on automatic delivery, the Vendor must have received authorization from the Community Action Agency prior to making each fuel delivery.);**

20. Agree that completion of this Document obligates the Vendor to all terms and conditions, as detailed herein, for the 2012/2013 energy assistance program year and that failure to comply with any of these terms and conditions will result in the Vendor's suspension from the program for the remainder of the 2012/2013 program year;
21. Agree to safeguard the use, publication and disclosure of information on all clients who receive services under this program in accordance with all applicable federal and state law (section 17b-90 of the Connecticut General Statutes) concerning confidentiality;
22. Agree that vendors requesting to withdraw from participation in the 2012/2013 energy assistance program must do so in writing to the Department of Social Services, Community, Energy and Refugee Services Division, 25 Sigourney Street, Hartford, CT 06106. If removal is so requested, the vendor will be suspended from participation in the programs for the remainder of the 2012/2013 program year. The Community Action Agency will notify the Vendor's energy assistance customers. These customers will be required to select another vendor from the list of participating vendors. No further authorizations will be issued to the withdrawn vendor during the remainder of the current program year. Payment for any outstanding authorizations of No. 2 oil will be made in accordance with the Fixed Margin Price.
23. Agree that eligible energy assistance customers, at their discretion, may change vendors during the course of the program year. In this event, any remaining balance of funds will be made available for the new vendor, and no further deliveries will be made by the previous vendor;
24. The Vendor, by signing this Document, does not bind itself to making deliveries to energy assistance customers outside of its normal service territory or working hours, or to providing services beyond those offered to customers whose deliveries are not approved and/or authorized by the Community Action Agency
25. Vendors are not obligated to accept new energy assistance customers. However, if a vendor agrees to accept new energy assistance customers, the vendor is not allowed to require a credit report as a condition of acceptance. Vendors may request credit reports in situations where an energy assistance customer is seeking credit for future deliveries not paid for by the energy assistance program.

## PART IV – PRODUCT PRICING

DSS will use information from the Oil Price Information Service (OPIS) to determine the daily Fixed Margin Price, which will be used to pay oil vendors making deliveries to CEAP or CHAP households. The Fixed Margin Price will be based on the daily OPIS Standard No. 2 Fuel Oil with 0.3 sulfur content, Gross No. 2 Distillate Price, plus a fixed margin of 31 cents per gallon.

In addition, the Fixed Margin Pricing Program will continue to include county differentials in the pricing mechanism. The county differentials are included in response to increases in transportation and delivery costs. The differentials vary from county to county, and are determined based on each county's proximity to the New Haven harbor. The county differentials are as follows, and **include the 31 cents fixed margin:**

Middlesex County	\$0.343
Hartford County	\$0.349
New London County	\$0.352
New Haven County	\$0.355
Litchfield County	\$0.377
Tolland County	\$0.409
Windham County	\$0.410
Fairfield County	\$0.425

The following example is for demonstration purposes.

Under the Fixed Margin Pricing Program pricing mechanism, oil deliveries made on Wednesday, December 7, 2011 were paid based on the Tuesday New Haven Rack Average OPIS Price, as provided on Tuesday, December 6, 2011 by OPIS. The price was determined as follows:

\$3.057	New Haven Rack Average OPIS Price, Tuesday, 12/6/11
.310	Fixed Margin
<u>.115</u>	County Differential – Fairfield County
\$3.482	Total Fixed Margin Price for No. 2 oil – Wednesday, 12/7/11 (Fairfield County)

Please note, since each county has a different county differential, the Total Fixed Margin Price on any given day will vary from county to county.

Vendors who deliver in multiple counties will be paid in accordance to the county differential in which the delivery is made. DSS will determine all fixed margin prices.

The pricing mechanism may be adjusted by DSS to respond to unanticipated changes in the No. 2 heating oil market.

Vendors must put their retail price on **all** delivery tickets, bills or statements. If the vendor's posted retail price is lower than the Fixed Margin Price, the vendor will be paid in accordance with the retail price.

For those deliveries of home heating oil paid by the program, vendors shall not charge CEAP or CHAP customers the difference between their retail price and the CEAP or CHAP payment.

**All kerosene and propane deliveries will be paid at the vendor's regular retail price.**

Deliveries made before an energy assistance customer's eligibility has been determined may be paid, if the customer is found eligible, and the delivery was made on or after November 15, 2012.

## **PART V – MISCELLANEOUS PROVISIONS**

The Vendor understands and agrees that if the State of Connecticut has reason to believe that the Vendor may have misrepresented, violated, or attempted to violate any part of this Document, they are subject to having their participation as a supplier in the energy assistance program immediately suspended. Suspected violations of Connecticut law shall be investigated, and if appropriate, prosecuted. Vendors found in violation shall be barred from participation in the energy assistance program for five years.

This Document is subject to Section 53a-157b of the Connecticut General Statutes, which provides as follows: "A person is guilty of false statement in the second degree when he intentionally makes a false written statement under oath or pursuant to a form bearing notice, authorized by law, to the effect that false statements made therein are punishable, which he does not believe to be true, and which statement is intended to mislead a public servant in the performance of his official function."

Should at any time any provision of this Document be found by the State to be legally unenforceable, that provision will automatically be considered void, but all other provisions of this Document will remain in effect. This Document is subject to the provisions in Executive Order No. 3 and 17, as they relate to non-discrimination.

This contract is subject to the provisions of Executive Order No. 3 of Governor Thomas J. Meskill, promulgated June 16, 1971 and, as such, this contract may be canceled, terminated or suspended by the State Labor Commissioner for violation of or noncompliance with said Executive Order No. 3, or any state or federal law concerning non-discrimination, notwithstanding that the Labor Commissioner is not a party to this contract. The parties to this contract, as a part of the consideration hereof, agree that said Executive Order No. 3 is incorporated herein by reference and made a part hereof. The parties agree to abide by said Executive Order and agree that the State Labor Commissioner shall have continuing jurisdiction in respect to contract performance in regard to non-discrimination, until the contract is completed or terminated prior to completion. The contractor agrees, as part consideration hereof, that this contract is subject to the Guidelines and Rules issued by the State Labor Commissioner to implement Executive Order No. 3, and that he will not discriminate in his employment practices or policies, will file all reports as required, and will fully cooperate with the State of Connecticut and the State Labor Commissioner.

This contract is subject to the provisions of Executive Order No. 17 of Governor Thomas J. Meskill promulgated February 15, 1973, and, as such, this contract may be canceled, terminated or suspended by the contracting agency or the State Labor Commissioner for violation of or noncompliance with said Executive Order No. 17, notwithstanding that the Labor Commissioner may not be a party to this contract. The parties to this contract, as part of the consideration hereof, agree that Executive Order No. Seventeen is incorporated herein by reference and made a part hereof. The parties agree to abide by said Executive Order and agree that the contracting agency and the State Labor Commissioner shall have joint and several continuing jurisdictions in respect to contract performance in regard to listing all employment openings with the Connecticut State Employment Service.
