Re: Request for Applications

Dear Ms. James:

The State Department of Social Services has completed its evaluation process of the Community Services Block Grant/Human Services Infrastructure (CSBG/HSI) Request for Applications.

The Community Action Agency of Western Connecticut (CAAWC) has been selected to negotiate a contract with the Department for the provision of providing comprehensive services to low-income individuals, families and communities in the Greater Stamford catchment area.

Please contact Cassandra Norfleet-Johnson at 860-424-5408 or email Cassandra.Norfleet-Johnson@ct.gov at your earliest convenience to discuss the elements of the proposal and begin the negotiating process.

I appreciate your time and interest in the program and look forward to a successful partnership.

Sincerely,

Roderick L. Bremby
Commissioner Department of Social Services
