

Notice of Intent to Amend Regulations

In accordance with provisions of subsection (a) of section 4-168 of the Connecticut General Statutes, as amended, notice is hereby given that the Commissioner of Social Services, pursuant to sections 17b-3, 17b-262, and 17b-192 of the Connecticut General Statutes, intends to amend the Uniform Policy Manual to add Chapters 3099.03 and 3099.04, to amend Chapters 1540.05, 1599.05 and 8080.30, and to remove Chapter 3099.05. These changes are being made to implement new federal rules for the Medicaid program. Chapter 8080.30 for the SAGA Medical Assistance (SMA) program is being amended to indicate that the new Medicaid rules do not apply to the SMA program. The new rules require that for those Medicaid applicants and recipients who claim to be citizens of the United States, verification of U.S. citizenship and identity must be supplied to the Department for these individuals to be eligible for Medicaid assistance. These changes are designed to reduce fraud and abuse in the Medicaid program.

Effective July 1, 2008 the Department will implement and operate under this proposed change pursuant to section 17b-10 of the Connecticut General Statutes.

Statement of purpose: To comply with the federal Deficit Reduction Act of 2005 (DRA), enacted on February 8, 2006 (Public Law No. 109-171) and subsequent amendments made by Public Law 109-432 signed by the President on December 20, 2006, by requiring that those individuals who apply for and receive Medicaid benefits based on U.S. citizenship verify their U. S. citizenship and identity. Final federal regulations regarding these new requirements were issued on July 13, 2007.

A copy of the complete text of this regulation is available at no cost upon request from the Department of Social Services, Office of Legal Counsel, Regulations & Administrative Hearings, 25 Sigourney Street, 12th floor, Hartford, Connecticut 06106; e-mail patricia.pion@ct.gov.

All written comments, questions, and concerns regarding this regulation may be submitted within 30 days of the publication of this notice to the Department of Social Services, Office of Legal Counsel, Regulations & Administrative Hearings, 25 Sigourney Street, Hartford, Connecticut, 06106. Attention: Brenda Parrella, Director. A hearing will be scheduled on the proposed regulation if requested by fifteen persons, by a governmental subdivision of an agency or by an association having not less than fifteen members, if notice of the request is received by the Department within fourteen days after the date of publication of this notice.

When submitting comments, please refer to Regulation Control Number 07-04/DJB.

This notice was published in the Connecticut Law Journal on July 1, 2008.

[C.] D. CONSEQUENCES FOR FAILURE TO PROVIDE VERIFICATION

The penalty for failure to provide required verification depends upon the nature of the factor or circumstance for which verification is required:

1. If the eligibility of the assistance unit depends directly upon a factor or circumstance for which verification is required, failure to provide verification results in ineligibility for the assistance unit. Factors on which unit eligibility depends directly include, but are not limited to:
 - a. income amounts;
 - b. asset amounts.
2. If the eligibility of an individual assistance unit member depends directly upon a factor or circumstance for which verification is required, failure to provide verification results in ineligibility for that individual member. Factors on which individual assistance unit member eligibility depends directly include, but are not limited to, the following:
 - a. citizenship;
 - b. cooperation with the [Job Connection] Employment Services program;
 - c. non-citizen status.
3. If the eligibility of the assistance unit does not depend directly on a factor or circumstance for which verification is required, but the benefit level could be affected by it, failure to provide verification results in non-consideration of the factor or circumstance. Factors like this include, but are not limited to:
 - a. income deduction amounts;
 - b. self-support plan deduction amounts;
 - c. special need items;
 - d. medical costs used in spend-down cases.
4. Ineligibility of the assistance unit may result indirectly from failure to provide verification of a factor or circumstance described [above in #3] in section 1540.05 D.3. if the non-consideration of the factor or circumstance leads to ineligibility for the unit. Situations like this include, but are not limited to:
 - a. non-consideration of an unverified income deduction causes the applied income to exceed the need standard;
 - b. non-consideration of an unverified special need item lowers the total amount of needs to below the applied income level;
 - c. non-consideration of unverified medical expenses causes excess income not to be offset in a spend-down process.
