## CONSTRUCTION AHEAD!

We're building better Customer Service!

On Monday, July 9<sup>th</sup>, our office started a new way to serve our clients faster, and save valuable time.

A new queuing system can help you:

- ✓ Make copies of requested documents  
*without waiting in line,*
- ✓ Drop-off forms & check requested paperwork  
*without getting in line,*
- ✓ Get questions answered faster  
*Right at the Service Window,*
- ✓ Many changes made within 12-15 minutes.

Simply take a number and wait to be called...and always remember to have your paperwork ready!
