Random Moment Time Study

July 15, 2014

(updated August 18, 2014, updated September 15, 2014)

RMTS Overview

Effective October 1, 2014, a statewide Random Moment Time Study (RMTS) will be used in the School Based Child Health (SBCH) Program:

- Three statewide RMTS pools
- Completed using on-line web-based system hosted by UMMS
- Results will be combined into statewide percentages

Results will be used for the School Based Child Health Cost Report.

RMTS Overview

A random sample of participants are asked to answer the following questions at a random moment (one minute):

- What type of activity were you doing?
- What are you doing?
- Who are you doing it with?
- Why are you performing this activity?

Participants choose a response from a list of answers:

- For each question, a list of pre-defined answers will be provided
- If answers do not apply, participants have the option to type in a response in their own words.

UMMS will code responses to an activity code and calculate RMTS percentages:

- Participants are NOT responsible for knowing/matching activity code descriptions to activities

RMTS Benefits

<u>15 Minute Increment</u>	<u>RMTS</u>
Burdensome to participants	Administratively simple!!
Implemented at school district level	Administered by state: Centralized online system to be used
Participants document all activity for a 5 day period	Participants document activity for a moment (one minute) in time
State selected statewide week-all districts completed the time study during the same week	Staff , day and time are randomly selected
School District monitors compliance	State, UMMS and school districts monitor compliance

RMTS Time Study Coordinator Role & Responsibilities

The RMTS Time Study Coordinator will perform the activities listed below. To assist Time Study Coordinators with the various deadlines associated with RMTS, a checklist is included in your training packet.

<u>Before the Quarter</u>	<u>During the Quarter</u>
Review System Technical Specifications Document with technical staff	Monitor participation using live reports
Update participant lists, calendars and hours	Communicate with UMMS on participant changes (such as medical leave, unpaid leave, etc.)
Notify participants to complete online training	Answer participant questions pertaining to RMTS
Provide participant training when necessary	

RMTS Process– Step 1: Identify Eligible Participants

For the RMTS, participants should be identified while considering the following information:

- Contractors are excluded
- Staff whose salaries are 100% federally funded are excluded
- Billing vendors are excluded
- Participants may only be in 1 of the 3 pools:
 - **Administrative only Providers:** Staff who complete reimbursable Medicaid administrative tasks, such as Medicaid outreach and facilitating Medicaid Eligibility and Enrollment or staff that are qualified providers who do not submit claims through Medicaid, but perform Medicaid reimbursable administrative tasks.
 - **Nursing, Psychological & Medical Services Providers, claiming:** Staff who are qualified providers that submit claims through Medicaid and retain documentation to substantiate their claiming activities
 - **Therapy Service Providers, claiming:** Staff who are qualified providers that submit claims through Medicaid and retain documentation to substantiate their claiming activities

RMTS Process– Step 1: Identify Eligible Participants

- Qualified Direct Service Providers must possess the required qualifications/certifications/licensure
- The following slides provide information pertaining to:
 - Eligible participants for the three cost pools
 - Provider qualifications/certifications/licensure requirements
 - A listing of SBCH covered health services

RMTS Process – Step 2: Establishing Groups

It is important when determining Participant and/or Work Schedule Groups to realize that the hours for available moments are based upon the work hours of staff, not the school hours.

Some suggestions in considering groups are to group by school name, work schedule (such as M-W-F 10-2), or groups of people within the district that have the same title and same schedule.

- Examples for ‘school’ (list each school separately if each has various start and end times):
 - Elm Street School
 - Oak Avenue School
- Examples for ‘group’ (group school together if multiple schools have the same start/end times):
 - All elementary schools
 - All Middle Schools
 - All High Schools

Initially, UMMS will distribute a form to RMTS contacts to indicate Participant Groups or Work Schedule Groups within the school district. Group information must be submitted to UMMS by 8/1.

RMTS Process– Step 3: Entering Calendars & Hours

School calendars and hours must be entered by RMTS coordinator:

- Example
 - Indicate holidays, vacation weeks, partial days
 - Begin and end times per school or group

Submission deadline:

- August 15th: Initial calendar
- March 1st: Updated calendar, including changes made for vacations and/or for the final day of school

UMMS should be contacted any time there is a calendar change

- Example
 - February or April vacation days are eliminated due to excessive snow days
 - Last day of school is modified due to unplanned days off during the course of the year

RMTS Process– Step 4: Completing the Participant Template

Complete all required fields for each participant:

- Employee ID: Up to 15 characters
- First/Last Name/ Email address of participant
- Job Description: Choose appropriate description from drop-down list
- FF%: Federally funded percentage. Indicate the portion of the person’s salary paid with federal funds.
- School Group Name
- Up to three supervisor’s emails – this is optional

Employee ID #	Last Name	First Name	Email address	Job Description	FF%	School Group	Supervisor email
200	Blue	Mary	MBlue@yahoo.com	Registered Nurse	0	Oak Ave.	Bobsuper@yahoo.com
201	Doe	Joe	JDoe@yahoo.com	Speech/language Therapist	20	Elm St.	Jimsuper@yahoo.com
202	Gold	Jane	JGold@yahoo.com	Physical Therapist	2	Elm St.	Bobsuper@yahoo.com
203	Red	Ann	ARed@yahoo.com	Occupational Therapist	100	Oak Ave.	Suesuper@yahoo.com

RMTS Process- Step 5: Uploading Participant Lists

The list of eligible RMTS participants (determined in Step 1) must be uploaded 30 days prior to the beginning of each quarter by the RMTS contact. For the first quarter, the submission due date is 9/2/14.

- Initial quarter:
 - UMMS will email the blank template to RMTS contact 45 days prior to the quarter
 - Complete all required fields in the template
 - Upload completed template into RMTS system 30 days prior to the quarter

- Ongoing quarters:
 - RMTS Contact pulls extract from system, which includes current participant information, 45 days prior to the quarter
 - Edit template by making all necessary changes/updates to existing data
 - Upload completed template into RMTS system 30 days prior to the quarter

RMTS Process - Step 6: Notification of User ID & Password

Participants will receive an email that includes their User ID, temporary password and the URL for the system.

The selection of moments and participants is random. Some participants will receive no moments, some will receive one and some will receive multiple moments during each quarter.

Participants will receive an email at the moment(s) they have been selected for.

RMTS Process - Step 7: Completing the Moment

- Participants complete the RMTS by providing answers to the following questions at their randomly assigned moment and certifying their responses:
 - What type of activity were you doing?
 - What are you doing?
 - Who are you doing it with?
 - Why are you performing this activity?
- It is important to note that when staff participate in the RMTS, staff do not need to know whether the activities they are performing involve children covered by Medicaid. The RMTS process is not concerned with the Medicaid-coverage status of students. The focus of the RMTS is on the type of activities that staff members are carrying out (IEP health related, educational, administrative, etc.) regardless if the children benefitting from the activities/services are Medicaid-covered or not.

RMTS Process - Step 7: Completing the Moment

Participants will receive reminder emails 24 & 48 hours after the moment if the moment is not complete.

- Additional reminder emails will be sent 48 & 24 hours prior to the end of the grace period and the RMTS contact and supervisors will be copied.

After two (2) school days, the participant will no longer be able to complete or edit their moment.

Statewide RMTS results will be calculated and included in the administrative and direct services cost report.

RMTS Compliance Reporting

CMS requires a statewide compliance rate of 85%. If this is not met there may be a penalty. Updates regarding this requirement will be shared when they are available.

School districts and UMMS will monitor the compliance rate throughout the quarter.

- Using real-time online reports
- RMTS contacts and supervisors are copied on late emails
