

Blue Sky Studios: Production Internship

Academy Award® winning Blue Sky Studios is a wholly owned unit of Fox Filmed Entertainment. The studio's mission is to pioneer creatively superior photo-realistic, high-resolution, computer-generated character animation for the feature film, television and entertainment industries. Some of our credits include the 1998 Oscar® Award winning short film Bunny, Ice Age, Robots, Ice Age: The Meltdown, Horton Hears a Who, Ice Age: Dawn of the Dinosaurs, and our latest feature Rio.

We are currently looking for students interested in joining our team as production interns. If you are a student interested in film production and have a background in film studies or producing, Blue Sky Studios is the place for you!

Responsibilities :

Internship responsibilities include (but are not limited to):

Production database updates

Spreadsheet generation

Set-up of visual components for various meetings

Scanning various forms of artwork

Taking notes during meetings and director rounds

Qualifications :

Full-time and part-time internships are available for students enrolled at an accredited college or university as a sophomore or above, during the time of the internship. During the academic year, Blue Sky interns are allowed to work no more than 24 hours per week for the Fall, Winter, and Spring semesters and forty (40) hours per week for Summer. This limitation complies with Blue Sky's internship guidelines to allow students adequate time to devote to their studies.

Applicants must have Mac/PC skills, be proficient in Microsoft Office, and be able to work in a fast-paced environment. Interns must also provide their own housing and transportation during the internship and provide proof of eligibility to work in the U.S. Students must also provide Blue Sky Studios with proof of internship credit for the semester.
