

# PROFESSIONAL PRODUCTION WORKSHOP

## SUMMER PROGRAM

APPLY ONLINE TODAY!

[MXCC.EDU/CNM](http://MXCC.EDU/CNM)

### WORK IN SMALL COLLABORATIVE TEAMS

Work with professional producers, videographers and editors from ESPN, CPTV, and High5netTV to learn techniques to produce and pitch commercially successful media programs.

### SELECTIVE ADMISSIONS PROGRAM

Open to advanced high school media students, media teachers and others with media experience. This is a special advanced selective admissions program with limited enrollment. Students must have previous production coursework or experience to be accepted.

- ✔ Work closely with media professionals working in the industry
- ✔ Make valuable connections that could help you get a job
- ✔ Gain hands-on production experience
- ✔ Work with new state-of-the-art HD digital production equipment
- ✔ Be involved in the production of real television program pilots
- ✔ Learn how to prepare for & make professional pitches to networks
- ✔ Be part of unique, grant-funded professional training program
- ✔ Earn 6 college credits for the price of 3. Get one course for free!
- ✔ Receive a certificate upon completion of the program
